INVESTIGATION?

In a nutshell, a group called "Al-Qaida" or "Al-Qaeda" was apparently behind 9-11 ... but Al-Qaida is at least a **twenty-five-year-old US-based covert operation**, with Jihadist agents *knowingly or unknowingly* working for "secret" aspects of US-Globalist foreign policy, as it remains to the present day.

<--- VIDEO HERE -->>

At a certain level, <u>absolute</u> proof of government/globalist complicity in the actual 9-11 attacks may be **impossible**, esp. when evidence has been destroyed.

For a search warrant, the standard is merely **probable cause**, some evidence, even circumstantial. For indictment, the standard is **sufficient evidence** to merit a trial to determine guilt or innocence. For a civil case, the standard is "more likely than not",

For a criminal conviction, the standard is <u>beyond a reasonable doubt</u>. For *criminal conspiracy*, the standard is relaxed, just showing *some* evidence and other connections. But first you need an investigation.

NO CRIMINAL INVESTIGATION OF 9-11 HAS EVER BEEN COMPLETED. We just "know" who did it. That guy. The former employee of US covert ops.

Granted, it is nearly impossible to connect every single dot, but far more is available on the Kennedy assassination AND especially on September 11 than is normally required in an ordinary street crime (like trafficking in crack or meth) to result in search warrants or indictments.

The main method of criminal inquiry is to ask questions and cross-examine witnesses. It must be said that the reason there are "unanswered questions" is not some mystery. It's because these questions cannot be answered without either contradicting other answers (lying), or a full admission of guilt by the guilty ... which is unlikely to be forthcoming now, if ever, considering the punishment might be hanging.

The White House originally warned Tom Daschle and others **against** conducting any internal investigation of the crime, of the **cumulative security lapses**, of traceable criminal connections.

Investigations of money trails possibly leading to the Saudis -- and thereby possibly even to someone who is **closely connected with the Saudis --->>>**--- were **resisted and even outlawed**

And blocked by Clinton previously.

(Exec Order W199i).

Other investigations, even asking questions about many other apsects of 9-11 was criminalized, made punishable, first by edict of the President and the Justice Dept. then by the PATRIOT Act II.

Ashcroft: Tougher Patriot Act needed

Bush Wins (America Loses); House Leaves Patriot Act As Is - Alex Jones

Bill of Rights - Throw them all away? Screw Liberty?

The "PATRIOT Act" is a repressive "coordination" of the entities of force and deception, the police, intelligence and the military. It broadens, centralizes and combines the surveillance, arrest and harassment capabilities of the police and intelligence apparatus. Homeland defense is, in essence, a form of state terrorism directed against the American people and

democracy itself. It is the Pentagon Inc. declaring war on America.

The "domestic war on terrorism" hinges upon the Pentagon's doctrine of homeland defense. Mountains of repressive legislation are being enacted in the name of internal security. So called "homeland security", originally set within the Pentagon's "operations other than war", is actually a case in which the Pentagon has declared war on America. Shaping up as the new battleground, this proliferating military "doctrine" seeks to justify new roles and missions for the Pentagon within America. Vast "legal" authority and funds to spy on the dissenting public, reconfigured as terrorist threats, is being lavished upon the defense, intelligence and law enforcement "community." - Frank Morales

Ashcroft, clarified:

People who ask questions about 9-11 aid the terrorists.
People who aid the terrorists ARE terrorists.
You WILL lose your liberty, if you support terrorists, by asking questions about 9-11.
Why? How? Don't

Why? How? Don't ask.

IF you have a "Liberal" sense of humor, I suggest you read this humorous-

but factual article on John Ashcroft from rotten.com.

Is that how police detectives handle major crime, mass murder, by avoiding a criminal investigation??

The 9-11 Commission, initially resisted by the White House, was finally completed. But the Commission's official scope was restricted to looking only for lapses in procedures, and making recommendations for strengthening procedures ... like more and bigger departments with more dictatorial power and less public accountability.

SMOKING GUNS & FBI Whistleblowers

a few more examples of hundreds of unanswered questions and **smoking guns**, which may not individually prove anything ...

US officials in high positions got over 140 warnings on 9-11, from heads of state, and from FBI agents and informants ...

FBI investigations have been stymied, according to Randy Glass "sanitized by the highest levels of government", Sibel Edmonds and Robert Wright, Colleen Rowley, Harry Samit witness on Moussaoui case, and at least a half-dozen other FBI agents. Some including Wright contacted Republican House Atty. <u>David Schippers</u>, trying to get access to John Ashcroft in time to stop the attacks.

Other military and intelligence personnel like <u>Col. Steve Butler</u> publicly stated that <u>Bush</u> deliberately allowed 9-11 to happen because HE trained some terrorists at Defense Lang School in California.

Robert Wright: wrote a memo 91 days before the Sept. 11 terrorist attacks warning that **Americans would die as a result of the FBI** s failure ..

Late July 2001: The Taliban Foreign Minister Wakil Ahmed Muttawakil learns that bin Laden is planning a "huge attack" on targets inside America. The attack is imminent, and will kill thousands.

Muttawakil sends an emissary to pass this information on to the US consul general, and another US official, "possibly from the intelligence services," also attends the meeting. The message is not taken seriously;

Upon further reflection I really became more aware of the complete **irony** of bombing Afghanistan in 2001 (which most Americans approved, even many peace activists):

 First, we installed Al-Qaeda in and around that whole region and made them a power base, using billions of dollars to do so. We even founded "Al-Qaeda
