

Ritual Magick Book Club

Every third Friday, 8 – 9pm
@ Borders café in Tempe (Mill Ave. & 7th St.)

Moderator:

Jeff, 480-452-7588

Objective:

This club is designed for those interested in exploring the broad topic of ritual magick. It is not confined to any specific belief, practice, or tradition, and may draw from Buddhism, Christianity, Hinduism, Islam, Judaism, Paganism, Rosicrucianism, Taoism, Thelema, and more. If it involves ritual, and magick, and there's a book on the subject, then it's fair game in this club. Our approach combines theory and practice, so feel free to suggest titles to add to our list. The aim of the club is not only to give you a way to become familiar with ritual magick, but also to discuss the concepts among equally curious and open-minded readers. If you choose to practice the rituals or exercises described in our selections, please share your experiences as we can all benefit from the knowledge of others.
