

The ADL is a spy, dirty tricks, and brainwashing apparatus of the government of Israel, and of the "New World Order" in the making.

DIVERSITY

IS IT *REALLY* OUR STRENGTH?

Left: Seattle Mardi Gras riot. Black mobs descend upon defenseless Whites. One White man is killed, dozens hospitalized.

It's what always happens when non-Whites get the upper hand.

Police watched and did nothing. Under orders not to "agitate" the Blacks. Not to stop the Blacks. Not to defend the Whites. You see, that would be "racist."

Think about it people. Think long and think hard. Will this be America's future?

The nefarious Anti-Defamation League of B'nai B'rith, or ADL, has targeted your town. They are upset because "racist Whites" will not roll out the red carpet for Blacks, Mexicans, Asians and of course... Jews.

Let's face it, to the Jews all of America is just too darn White. Too darn GENTILE. They don't feel comfy. Jews seem to think that our purpose in life is to make **them** feel as comfortable as possible. It isn't.

The ADL supports Israel's Jews-only immigration policy, while at the same time insisting that White Europeans have no right to maintain their cultural dominance or majority status here in America.

One of the ADL's fondest projects is "combating hate speech." "Hate speech," of course, is whatever they find offensive or dangerous to their interests. The ADL might accurately be called the most dangerous criminal brotherhood in the United States. To learn more contact the National Alliance today.
