

arrangement. In addition, commenters should discuss whether this form of split billing should be available to resellers of access service, or should be limited to customers seeking to share dedicated facilities for their own use. Commenters should also address methods to ensure that Feature Group A and B users are not double-billed for their use of the same facilities.

In addition, the Commission seeks comment on whether the type of split billing and shared network arrangements offered by NYNEX and Southwestern Bell adequately address customer needs for such arrangements. It also invites parties to comment on whether similar or modified arrangements should be offered by all LECs. Commenters should specifically address whether the "host/secondary customer of record" arrangement, under which a single IXC serves as the "host" customer of record, and is responsible for service arrangement and control, would satisfy the access customers' needs for sharing and resale of dedicated transport facilities. Commenters should also discuss how such offerings could be expanded or improved to meet customer needs. Commenters advocating that there be a single, host customer of record for the access service should specifically discuss how this split billing arrangement would apply to voice-grade access for Feature Group A and B services.

Finally, the Commission seeks comment on any other form of split billing that commenters believe would achieve the goals it has identified. Of particular interest would be any split billing prototype under consideration by the industry's OBF. Commenters who do not support a requirement that the LECs include in their tariffs procedures for offering split billing and shared network configurations should discuss alternative ways to satisfy LEC provision of these arrangements.

2. Procedural Matters

Ex Parte. This is a non-restricted notice and comment rulemaking. *Ex parte* presentations are permitted, except during the Sunshine period, provided they are disclosed as provided in the Commission's rules. See generally, 47 CFR 1.1202, 1.1203, and 1.1206(a).

Notice and Comment Provision.

Notice is given of the proposed changes in the Commission's policies regarding split billing. Comment is invited on the proposals pursuant to Sections 1, 4 (i) and (j), 201-205, 218, and 403 of the Communications Act as amended, 47 U.S.C. §§ 151.1 54(i) and (j), 201-205, 218, and 403. To file formally in this proceeding, parties must file an original and five copies of all comments, reply comments, and supporting comments. Parties wanting each Commissioner to receive a personal copy of their comments must file an original plus nine copies. All comments and reply comments should be sent to the Office of the Secretary. In addition, parties should file two copies of any such pleadings with the Tariff Division, Common Carrier Bureau, Room 518, 1919 M Street, N.W., Washington, DC 20554. Comments and reply comments will be available for public inspection during regular business hours in the FCC Reference Center, Room 239, 1919 M Street, NW., Washington, DC.

Regulatory Flexibility Act. The Regulatory Flexibility Act of 1980 does not apply to this rulemaking proceeding because the proposed rule amendments, if promulgated, would not have a significant economic impact on a substantial number of small business entities, as defined by Section 601(3) of the Regulatory Flexibility Act. Carriers providing interstate transport services directly subject to the proposed rule amendment do not qualify as small businesses since they are dominant in their field of operation. The Commission will, however, take appropriate steps to ensure that the special circumstances of the smaller local exchange carriers are carefully considered in resolving those issues. The Secretary shall send a copy of this Supplemental Notice of Proposed Rulemaking, including the certification, to the Chief Counsel for Advocacy of the Small Business Administration in accordance with paragraph 603(a) of the Regulatory Flexibility Act. Pub.L. No. 96-354, 94 Stat. 1164, 5 U.S.C. Section 601 et seq. (1981).
