**SECURITIES AND EXCHANGE COMMISSION**

[Release No. 34-35635; File No. SR-Amex-95-11]

**Self-Regulatory Organizations; Notice of Filing and Order Granting Accelerated Approval of Proposed Rule Change by the American Stock Exchange, Inc. Relating to Amendments to Rule 170 Pertaining to Specialists' Liquidating Transactions**

April 21, 1995.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"), 15 U.S.C. 78s(b)(1), notice is

hereby given that on March 6, 1995, the American Stock Exchange, Inc. ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

**I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

The Amex requests a three-month extension of a pilot program that amended Exchange Rule 170 to permit a specialist to effect a liquidating transaction on a zero minus tick, in the case of a "long" position, or a zero plus tick, when covering a "short" position, without Floor Official approval. The pilot program also amended Rule 170 to set forth the affirmative action that specialists are required to take subsequent to effecting various types of liquidating transactions.<sup>1</sup>

The Exchange requests accelerated approval of the proposed rule change to enable the pilot, which would otherwise expire on April 22, 1995, to continue on an uninterrupted basis.

**II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item III below. The self-regulatory organization has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

**A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

**1. Purpose**

On April 22, 1994, the Commission approved, on a one-year pilot basis, amendments to Exchange Rule 170 to permit a specialist to effect a liquidating transaction on a zero minus tick, in the case of a "long" position, or a zero plus tick, when covering a "short" position,

without Floor Official approval.<sup>2</sup> The amendments also set forth the affirmative action that specialists are required to take subsequent to effecting various types of liquidating transactions.

During the course of the pilot program, the Exchange has monitored compliance with the requirements of the Rule and is in the process of preparing a report summarizing the results of its surveillance. In order to permit the pilot program to continue without interruption while the Exchange completes its report, it is proposing that the pilot program be extended for three months.

**2. Statutory Basis**

The proposed rule change is consistent with Section 6(b) of the Act in general, and furthers the objectives of Section 6(b)(5) in particular, in that it is designed to promote just and equitable principles of trade, remove impediments to and perfect the mechanism of a free and open market, and, in general, protect investors and the public interest. The proposed rule change also is consistent with Section 11(b) of the Act which allows exchanges to promulgate rules relating to specialists in order to maintain fair and orderly markets.

**B. Self-Regulatory Organization's Statement on Burden on Competition**

The proposed rule change will impose no burden on competition.

**C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others**

No written comments were solicited or received with respect to the proposed rule change.

**III. Solicitation of Comments**

Interested persons are invited to submit written data, views and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the
