

Needs and Uses: The Census Bureau requests OMB approval for a generic clearance to undertake a number of activities it plans to conduct to create and update its Master Address File (MAF) and maintain the linkage between the MAF and the Topologically Integrated Geographic Encoding and Referencing (TIGER) data base of address ranges and associated geographic information. These activities will be conducted on a schedule to support preparations for the 2000 decennial census, but also will support the address matching and geocoding requirements of the proposed Continuous Measurement program, the population estimates program, the economic and agriculture censuses, and the current demographic surveys. This clearance will allow the Census Bureau to focus its limited resources on operational planning and procedural development activities. The activities to be conducted under this clearance are: Listing, Update/Leave, MAF

Reconciliation, Canvassing, Block Splits, Field Verification, Master Address File Quality Improvement Program (MAF QIP), the Address List Availability Survey (ALAS), and the Rural Address Reference Availability Survey (RARAS). The Census Bureau has conducted each category of activity (or similar ones) previously and the burden remains relatively unchanged from one time to another. **Affected Public:** Individuals or households. **Frequency:** One-time. **Respondent's Obligation:** Mandatory. **OMB Desk Officer:** Maria Gonzalez, (202) 395-7313. Copies of the above information collection proposal can be obtained by calling or writing Gerald Taché, DOC Forms Clearance Officer, (202) 482-3271, Department of Commerce, room 5312, 14th and Constitution Avenue, NW, Washington, DC 20230. Written comments and recommendations for the proposed information collection should be sent to

Maria Gonzalez, OMB Desk Officer, room 10201, New Executive Office Building, Washington, DC 20503.

Dated: April 27, 1995.

Gerald Taché,

Departmental Forms Clearance Officer, Office of Management and Organization.

Electronic Interface Company, Inc.	970 Lonus Street, San Jose, CA 95126	04/14/95	Linear Actuators.

The petitions were submitted pursuant to Section 251 of the Trade Act of 1974 (19 U.S.C. 2341). Consequently, the United States Department of

Commerce has initiated separate investigations to determine whether increased imports into the United States of articles like or directly competitive

with those produced by each firm contributed importantly to total or partial separation of the firm's workers, or threat thereof, and to a decrease in
