

Docket No. CP82-553-000, pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

FGT is proposing to abandon .1 mile of 3-inch lateral pipeline and the Plymouth Citrus Meter Station located in Orange County, Florida. FGT states that Mid-Florida Freezer Warehouses, Ltd. (Mid-Florida) now owns and operates the citrus processing facility that previously took gas from this system. FGT asserts that Mid-Florida does not need to use natural gas and therefore does not need the facilities previously used by Citrus World. FGT reports that no activity has occurred at this meter station since 1990.
