Other Fisheries and Licenses

Salmon Power Troll—State of Alaska Interim Use and Limited Entry Power Troll licenses serve as a Federal permit. If you do not currently possess either State license, a Federal permit may be issued *provided* that sometime during the years 1975–1977, you: a) operated a vessel in the 3–200 mile zone off Alaska; b) engaged in commercial fishing for salmon from that vessel in the 3–200 mile zone off Alaska; AND c) landed salmon caught with power troll gear. If you believe that you meet these conditions, please contact NMFS at 907–586–7225. You will be required to provide fish tickets or other landing receipts showing compliance with the above requirements.

Halibut—A Federal Processor Permit is required for anyone that processes Pacific halibut off Alaska. In addition, vessels that *fish* for halibut are required to have a license from the International Pacific Halibut Commission (IPHC). Questions regarding IPHC licenses should be directed to:

International Pacific Halibut Commission, P.O. Box 95009, Seattle, WA 98145–2009. Phone: 206–634–1838.
