United States Department of Labor, Office of Federal Contract Compliance Programs, Plaintiff, v. Kimmins Abatement Corporation and Kimmins Environmental Service Corporation, Defendants; Consent Decree

[Case No. 94-OFC-20]

This Consent Decree is entered into between the Plaintiff, United States Department of Labor, Office of Federal Contract Compliance Programs (hereinafter "OFCCP"), and Defendants Kimmins Abatement Corporation ("KAC") and Kimmins Environmental Services Corporation ("KESC"), in resolution of the Administrative Complaint filed by OFCCP pursuant to Executive Order 11246 (30 FR 12319), as amended by Executive Order 11375 (32 FR 14303) and Executive Order 12086 (43 FR 46501) ("Executive Order"). The Administrative Complaint alleged that Defendant violated the terms of a conciliation agreement which was executed by Defendant KAC and OFCCP and which became effective on November 20, 1991.

Part A. General Provisions

1. The record on the basis of which this Consent Decree is entered shall consist of the Complaint and the Consent Decree and the attachments thereto.
2. Attachment A of the Consent Decree consists of the conciliation agreement between OFCCP and KAC which became effective on November 20, 1991.
3. This Consent Decree shall not become final until it has been signed by the Administrative Law Judge, and the effective date of the Decree shall be the date it is signed by the Administrative Law Judge.
4. This Consent Decree shall be binding upon KAC and KESC and shall have the same force and effect as an order made after a full hearing.
5. All further procedural steps to contest the binding effect of the Consent

Decree, and any right to challenge or contest the obligations entered into in accordance with the agreement contained in this Decree, are waived by the parties.

6. Subject to the performance of all duties and obligations contained in this Consent Decree, all alleged violations identified in the Administrative Complaint shall be deemed fully resolved. However, nothing herein is intended to relieve Defendants from compliance with the requirements of the Executive Order, or its regulations, nor to limit OFCCP's right to review Defendants' compliance with such requirements, subject to Defendants' rights set forth in paragraph 17b of this agreement.

7. Defendants agree that there will be no retaliation of any kind against any beneficiary of this Consent Decree, or against any person who has provided information or assistance in connection with this Decree.

9. On November 20, 1991, OFCCP and KAC entered into a conciliation agreement.

10. The conciliation agreement required KAC to notify outreach groups of available employment opportunities. KAC failed to issue such notification.

11. In addition, the conciliation agreement obligated KAC to submit two annual reports to OFCCP so that OFCCP could monitor the company's compliance with the terms of the conciliation agreement in its Niagara Falls office. KAC failed to timely submit such reports.
