D. *Records to be matched:* The systems of records maintained by the respective agencies under the Privacy Act of 1974, as amended, 5 U.S.C. 552a, from which records will be disclosed for the purpose of this computer match are as follows:

The SBA will use personal data from the Privacy Act record system identified as SBA 075, entitled, 'Loan Case File', last published in the **Federal Register** at 56 FR 8022 on February 26, 1991.

DMDC will use personal data from the record systems identified as S322.11 DMDC, entitled 'Federal Creditor Agency Debt Collection Data Base,' last published in the **Federal Register** on February 22, 1993, at 58 FR 10875.

Sections 5 and 10 of the Debt Collection Act (Pub.L. 97-365) authorize agencies to disclose information about debtors in order to effect salary or administrative offsets. Agencies must publish routine uses pursuant to subsection (b)(3) of the Privacy Act for those systems of records from which they intend to disclose this information. Sections 5 and 10 of the Debt Collection Act will comprise the necessary authority to meet the Privacy Act's 'compatibility' condition. The systems of records described above contain an appropriate routine use disclosure between the agencies of the information proposed in the match. The routine use provisions are compatible with the purpose for which the information was collected.

E. *Description of computer matching program:* The SBA, as the source agency, will provide DMDC with a magnetic computer tape which contains the names of delinquent debtors in programs the SBA administers. Upon receipt of the magnetic computer tape file of debtor accounts, DMDC will perform a computer match using all nine digits of the SSN of the SBA file against a DMDC computer database. The DMDC database, established under an interagency agreement between DOD, OPM, OMB, and the Department of the Treasury, consists of employment records of Federal employees and military members, active, and retired. Matching records ('hits'), based on the SSN, will produce the member's name, service or agency, category of employee,

and current work or home address. The hits or matches will be furnished to the SBA. The SBA is responsible for verifying and determining that the data on the DMDC reply tape file are consistent with the SBA source file and for resolving any discrepancies or inconsistencies on an individual basis. The SBA will also be responsible for making final determinations as to positive identification, amount of indebtedness and recovery efforts as a result of the match.

The magnetic computer tape provided by SBA will contain data elements of the debtor's name, Social Security Number, debtor status and debt balance, internal account numbers and the total amount owed on approximately 10,000 delinquent debtors.

The DMDC computer database file contains approximately 10 million records of active duty and retired military members, including the Reserve and Guard, and the OPM government wide Federal civilian records of current and retired Federal employees.

F. *Inclusive dates of the matching program:* This computer matching program is subject to review by the Office of Management and Budget and Congress. If no objections are raised by either, and the mandatory 30 day public notice period for comment has expired for this **Federal Register** notice with no significant adverse public comments in receipt resulting in a contrary determination, then this computer matching program becomes effective and the respective agencies may begin the exchange of data 30 days after the date of this published notice at a mutually agreeable time and will be repeated annually. Under no circumstances shall the matching program be implemented before the 30 day public notice period for comment has elapsed as this time period cannot be waived. By agreement between SBA and DMDC, the matching program will be in effect and continue for 18 months with an option to renew for 12 additional months unless one of the parties to the agreement advises the other by written request to terminate or modify the agreement.

G. *Address for receipt of public comments or inquiries:* Director, Defense Privacy Office, Crystal Mall 4, Room 920, 1941 Jefferson Davis Highway, Arlington, VA 22202094502. Telephone (703) 607092943.
