

**§ 215.2 General.**

Upon receipt of copies of applications for Federal assistance subject to 49 U.S.C. 5333(b), together with a request for the certification of employee protective arrangements from the Department of Transportation, the Department of Labor will process those applications, which may be in either preliminary or final form. The Federal Transit Administration will provide the Department with the information necessary to enable the Department to certify the project.

**§ 215.3 Employees represented by a labor organization.**

(a)(1) If affected employees are represented by a labor organization, it is expected that where appropriate, protective arrangements shall be the product of negotiation/discussion, pursuant to these guidelines.

(2) In instances where states or political subdivisions are subject to legal restrictions on bargaining with employee organizations, the Department of Labor will utilize special procedures to satisfy the Federal statute in a manner which does not contravene state or local law. For example, employee protective terms and conditions, acceptable to both employee and applicant representatives, may be incorporated into a resolution adopted by the involved local government.

(3) If an application involves a grant to a state administrative agency which will pass assistance through to subrecipients, the Department of Labor will refer and process each subrecipient's respective portion of the project in accordance with this section. If a state administrative agency has previously provided employee protections on behalf of subrecipients, the referral will be based on those terms and conditions. These procedures are not applicable to grants under section 5311.

(b) Upon receipt of an application involving affected employees represented by a labor organization, the Department of Labor will refer a copy of the application to that organization and notify the applicant of referral.

(1) If an application involves only a capital grant for routine replacement of equipment of like kind and character and/or facilities of like kind and character, the procedural requirements set forth in §§ 215.3(b)(2) through 215.3(h) of these guidelines will not apply absent a potentially material effect on employees. Where no such effect is found, the Department of Labor will certify the application based on the terms and conditions as referenced in §§ 215.3(b)(2) or 215.3(b)(3)(ii).

(2) For applicants with previously certified arrangements, the referral will be based on those terms and conditions.

(3) For new applicants and applicants for which previously certified arrangements are not appropriate to the current project, the referral will be based on appropriate terms and conditions specified by the Department of Labor, as follows:

(i) for operating grants, the terms and conditions will be based on arrangements similar to those of the Model Agreement (referred to also as the National Agreement);

(ii) for capital grants, the terms and conditions will be based on arrangements similar to those of the Special Warranty applied pursuant to section 5311.

(c) Following referral and notification under paragraph (b) of this section, and subject to the exceptions defined in § 215.5, parties will be expected to engage in good faith efforts to reach mutually acceptable protective arrangements through negotiation/discussion within the timeframes designated under paragraphs (d) and (e) of this section.

(d) As part of the Department of Labor's review of an application, a time schedule for case processing will be established by the Department of Labor and specified in its referral and notification letters under paragraph 215.3(b) or subsequent written communications to the parties.

(1) Parties will be given fifteen (15) days from the date of the referral and notification letters to submit objections, if any, to the referred terms. The parties are encouraged to engage in negotiations/discussions during this period with the aim of arriving at a mutually agreeable solution to objections any party has to the terms and conditions of the referral.

(2) Within ten (10) days of the date for submitting objections, the Department of Labor will:

(i) Determine whether the objections raised are sufficient; and

(ii) Take one of the two steps described in paragraphs (d)(5) and (6) of this section, as appropriate.

(3) The Department of Labor will consider an objection to be sufficient when:

(i) The objection raises material issues that may require alternative employee protections under 49 U.S.C. 5333(b); or

(ii) The objection concerns changes in legal or factual circumstances that may materially affect the rights or interests of employees.

(4) The Department of Labor will consult with the Federal Transit

Administration for technical advice as to the validity of objections.

(5) If the Department of Labor determines that there are no sufficient objections, the Department will issue its certification to the Federal Transit Administration.

(6) If the Department of Labor determines that an objection is sufficient, the Department, as appropriate, will direct the parties to commence or continue negotiations/discussions, limited to issues that the Department deems appropriate and limited to a period not to exceed thirty (30) days. The parties will be expected to negotiate/discuss expeditiously and in good faith. The Department of Labor may provide mediation assistance during this period where appropriate. The parties may agree to waive any negotiations/discussions if the Department, after reviewing the objections, develops new terms and conditions acceptable to the parties. At the end of the designated negotiation/discussion period, if all issues have not been resolved, each party must submit to the Department its final proposal and a statement describing the issues still in dispute.

(7) The Department will issue a certification to the Federal Transit Administration within five (5) days after the end of the negotiation/discussion period designated under paragraph (d)(6) of this section. The certification will be based on terms and conditions agreed to by the parties that the Department concludes meet the requirements of 49 U.S.C. 5333(b). To the extent that no agreement has been reached, the certification will be based on terms and conditions determined by the Department which are no less protective than the terms and conditions included in the referral pursuant to §§ 215.3(b)(2) and 215.3(b)(3).

(8) Notwithstanding that a certification has been issued to the Federal Transit Administration pursuant to paragraph (d)(7) of this section, no action may be taken which would result in irreparable harm to employees if such action concerns matters subject to the steps set forth in paragraph (e) of this section.

(e) If the certification referred to in paragraph (d)(7) of this section is not based on full mutual agreement of the parties, the Department of Labor will take the following steps to resolve outstanding differences:

(1) The Department will set a schedule that provides for final resolution of the disputed issue(s) within sixty (60) days of the certification referred to in paragraph (d)(7) of this section.
