

§ 177.2600 *Rubber articles intended for repeated use* (21 CFR 177.2600) to provide for the safe use of diisopropyl xanthogen polysulfide as a component of rubber articles intended for repeated use in contact with food.

The potential environmental impact of this action is being reviewed. To encourage public participation consistent with regulations promulgated under the National Environmental Policy Act, (40 CFR 1501.4(b)), the agency is placing the environmental assessment submitted with the petition that is the subject of this notice on public display at the Dockets Management Branch (address above) for public review and comment. Interested persons may, on or before March 15, 1995, submit to the Dockets Management Branch (address above) written comments. Two copies of any comments are to be submitted, except that individuals may submit one copy. Comments are to be identified with the docket number found in brackets in the heading of this document. Received comments may be seen in the office above between 9 a.m. and 4 p.m., Monday through Friday. FDA will also place on public display any amendments to, or comments on, the petitioner's environmental assessment without further announcement in the **Federal Register**. If, based on its review, the agency finds that an environmental impact statement is not required and this petition results in a regulation, the notice of availability of the agency's finding of no significant impact and the evidence supporting that finding will be published with the regulation in the **Federal Register** in accordance with 21 CFR 25.40(c).

Dated: February 3, 1995.

HEALTH RESOURCES AND SERVICES ADMINISTRATION

Special Project Grants and Cooperative Agreements; Maternal and Child Health Services; Federal Set-Aside Program; Genetic Services and Maternal and Child Health Improvement Projects

AGENCY: Health Resources and Services Administration (HRSA), PHS.

ACTION: Notice of availability of funds.

SUMMARY: The Maternal and Child Health Bureau (MCHB), HRSA, announces that fiscal year (FY) 1995 funds are available for grants and cooperative agreements for the following activities: Maternal and Child Health (MCH) Special Projects of Regional and National Significance (SPRANS), including special MCH improvement projects (MCHIP) which contribute to the health of mothers, children, and children with special health care needs (CSHCN); and genetic disease testing, counseling and information services. All awards will be made under the program authority of section 502(a) of the Social Security Act, the MCH Federal Set-Aside Program. No new hemophilia SPRANS grants will be funded in FY 1995. Grants for MCH research and training are being announced in a separate notice.

Of the approximately \$44 million available for SPRANS activities in FY 1995 in categories covered by this announcement, about \$9.7 million will be available to support approximately 65 new and competing renewal projects at an average of \$150,000 per award for one year. The remaining funds will be used to support continuation of existing SPRANS activities. The actual amounts available for awards and their allocation may vary, depending on unanticipated program requirements and the volume and quality of applications. Awards are made for grant periods which may run from 1 to 5 years in duration. Funds for the MCH Federal Set-Aside Program are appropriated by Public Law 103-333. Revised regulations implementing the Federal Set-Aside Program (42 CFR part 51a) were published in the July 19, 1994, issue of the **Federal Register** at 59 FR 36703.

The Public Health Service (PHS) is committed to achieving the health promotion and disease prevention

objectives of Healthy People 2000, a PHS-led national activity for setting priority areas. The MCH Block Grant Federal Set-Aside Program addresses issues related to the Healthy People 2000 objectives of improving maternal, infant, child and adolescent health and developing service systems for children with special health care needs.

Potential applicants may obtain a copy of Healthy People 2000 (Full Report: Stock No. 017-001-00474-0) or Healthy People 2000 (Summary Report: Stock No. 017-001-00473-1) through the Superintendent of Documents, Government Printing Office, Washington, DC 20402-9325 (telephone: 202 783-3238).

The Public Health Service strongly encourages all grant recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people. In addition, Public Law 103-227, The Pro-Children Act Of 1994, prohibits smoking in certain facilities in which education, library, day care, regular and routine health care and early childhood development services are provided to children. Smoking must also be prohibited in indoor facilities that are constructed, operated or maintained with Federal funds.

ADDRESSES: Grant applications for the MCH SPRANS Federal Set-Aside Program must be obtained from and submitted to: Acting Chief, Grants Management Branch, Office of Program Support, Maternal and Child Health Bureau, Health Resources and Services Administration, Room 18-12, Parklawn Building, 5600 Fishers Lane, Rockville, Maryland 20857, (301) 443-1440. Applicants for all projects covered by this announcement will use application Form PHS 5161-1 with revised face page DHHS Form 424, approved by OMB under control number 0937-0189. Requests should specify the category or categories of activities for which an application is requested so that the appropriate forms, information and materials may be provided.

DATES: Deadlines for receipt of applications differ for the several categories of grants and cooperative agreements. These deadlines are as follows:
