**SUPPLEMENTARY INFORMATION:** The Department of Labor (DOL or Department) is announcing Job Training Partnership Act (JTPA) allotments for Program Year (PY) 1995 (July 1, 1995-June 30, 1996) for JTPA Titles II-A, II-C, and III, and for the Summer Youth Employment and Training Program in Calendar Year (CY) 1995 for JTPA Title II-B; and, in accord with Section 6 of the Wagner-Peyser Act, preliminary planning estimates for public employment service (ES) activities under the Wagner-Peyser Act for PY 1995. The allotments and estimates are based on the appropriations for DOL for Fiscal Year (FY) 1995.

Attached are lists of the allotments for PY 1995 for programs under JTPA Titles II-A, II-C, and III; a list of the allotments for the CY 1995 Summer Youth Employment and Training Program under Title II-B of JTPA; and a list of preliminary planning estimates for public employment service activities under the Wagner-Peyser Act. The PY 1995 allotments for Titles II-A, II-C, and III and the ES preliminary planning estimates, are based on the funds appropriated by the Department of Labor Appropriations Act, 1995, Public Law 103-333, for FY 1995.

The base allotments for Title II-B total \$867,070,000. Included in these allotments are additional 1995 summer

funds in the amount of \$184,788,000 provided by Congress in the FY 1995 appropriation act. These funds were made available for obligation on July 1, 1995. The FY 1994 and FY 1995 funds available for the CY 1995 Summer Program will be issued separately through a Notice of Obligation (NOO).

These JTPA allotments will not be updated for subsequent unemployment data. The Employment Service preliminary estimates will be updated as final allotments to reflect CY 1994 data and published in the **Federal Register** at a later date.

**Title II-A Allotments**

Attachment I shows the PY 1995 JTPA Title II-A Adult Training Program allotments by State. For all States, Puerto Rico and the District of Columbia, the following data were used in computing the allotments:

- Data for areas of substantial unemployment (ASU) are averages for the 12-month period, July 1993 through June 1994.
- The number of excess unemployed individuals or the ASU excess (depending on which is higher) are averages for this same 12-month period.
- The economically disadvantaged adult data (age 22 to 72, excluding college students and military) are from the 1990 Census.

The allotments for the Insular Areas, including the Freely Associated States, are based on unemployment data from 1990 Census or, if not available, the most recent data available. A 90 percent relative share "hold-harmless" of the PY 1994 Title II-A allotments for these areas and a minimum allotment of \$75,000 were also applied in determining the allotments.

Title II-A funds are to be distributed among designated service delivery areas (SDAs) according to the statutory formula contained in Section 202(b) of JTPA, as amended by Title VII, Miscellaneous Provisions, of the Job Training Reform Amendments of 1992. (This Title VII provides an interim allocation methodology which applies to the PY 1995 allotments.) This is the same formula that has been used in previous program years; however, prior to PY 1993 a different definition of "economically disadvantaged" was used.

In determining any necessary hold-harmless levels for SDAs, the States of Kentucky, Minnesota, Montana, and Wisconsin shall not include any additional funds provided for Rural Concentrated Employment Programs (RCEPs).
