Am    Dm    G    N.C.    Am

Talk to me softly. There's something in your eyes.

Am    Dm    G    C    G/B

Don't hang your head in sorrow, and please don't cry.

* Recorded a half step lower.
I know how you feel inside. I've, I've been there before.

Something is changing inside you, and don't you know.

Don't you cry tonight. I still love you, baby.

Don't you cry tonight.

Don't you cry tonight. There's a heaven above you, baby.
And don't you cry to-night.

Give me a whisper, and give me a sigh.

Give me a kiss before you tell me good-bye.

Don't you take it so hard now, and please don't take it so bad.

I'll still be thinking of you and the times we had, baby.
And don't you cry to-night.

Don't you cry to-night. There's a heaven above you, baby.

And don't you cry to-night. And please remember

that I never lied. Oh, and please remember
[Verse 1]
C G/B Am Dm G
how I felt inside now, honey. You gotta make it your own way.
C G/B Am Dm G
but you'll be all right now, sugar. You'll feel better tomorrow.

[Chorus]
C G/B Am G F G
come the morning light now, baby. And don't you cry tonight.

[Verse 2]
Am F G
Am don't you cry tonight.
Am F G
Am don't you cry tonight.
There's a heaven above you, baby.
And don't you cry.

Don't you ever cry.
Don't you cry to-night.

Baby, maybe some day.
And don't you cry.

Don't you ever cry.
Don't you cry to-night.
