contains elements of “Two Occasions” by Darnell Bristol, Kenneth Edmonds and Sidney Johnson and “If You Think You’re Lonely Now” by Patrick Moten, Bobby Womack and Sandra Sully.
I didn't know nothing. I was stupid. I was foolish. I was lying to myself. I could not fathom that I would ever be without your love. Never imagined I'd be sitting here beside myself.
Guess I didn’t know you, guess I didn’t know me. But I thought I knew everything.

I never felt.

The feeling that I’m feeling

now that I don’t hear your voice

or have your touch and kiss your lips ’cause I don’t have a choice.

Oh, what I wouldn’t give to have you lying by my side right here. ’Cause
Em7  F  

baby please 'cause we belong together. Who else am I gonna

Lean on when times get rough? Who's gonna talk to
me on the phone till the sun comes up? Who’s gonna take your place? There ain’t nobody better. Oh baby, baby, we belong together.

I can’t sleep at night when you are on my mind. Bobby

W o mack’s on the radio sing’in’ to me, “If you think you’re lonely
now.” Wait a minute, this is too deep, too deep. I gotta change the station. So I

turn the dial, tryin’ to catch a break. And then I hear Babyface.

“I only think of you” and it’s breakin’ my heart. I’m tryin’ to

keep it together but I’m falling apart. I’m feeling all out of my element.
Throwing things, crying, tryin' to figure out where the hell I went wrong. The pain reflected in this song ain't even half of what I'm feeling inside. I need you, need you back in my life.

D.S. al Coda

Baby, we belong together
When you left I lost a part of me. It's still so hard to believe. Come back baby please 'cause we belong together. Who am I gonna lean on when times get rough? Who's gonna talk to
