Butter and flour an 8 or 9-inch-round pan. In a large bowl beat egg whites until soft peaks form. Gradually add 1/3 cup of the sugar, beating constantly until stiff peaks form. In another large bowl cream together egg yolks and 2/3 cup of the sugar until fluffy and lemon colored. Gently fold in egg-white mixture alternately with bread crumbs and half of the reserved chestnuts. Pour batter into prepared pan. Bake until a cake tester inserted in center comes out clean (30 to 35 minutes). Transfer pan to a wire rack to cool completely. Turn cake out of pan and split cooled cake in half crosswise to form 2 layers. Crack the whole egg into a mixing bowl and add the 1/2 cup butter, the 2 tablespoons sugar, and rum. Cream until thick and smooth. Beat in the remaining chestnuts until well blended. Prepare Chocolate Frosting as directed and keep warm. Spread chestnut mixture over 1 layer of cake and top with second layer. Pour warm frosting over top. Whip cream until stiff peaks form, then pack into a pastry bag fitted with a star tip. Zinfandel Pears

Serving Size : 6

Preparation Time :0:35

6 pears

1 small bunch fresh basil -- plus leaves

2 cups zinfandel wine

1/2 cup sugar

1. Peel pears. Core pears by cutting a cone-shaped wedge from the bottom of each. Leave stems intact. Discard seeds and cores. Wash and julienne a bunch of basil.
2. Place wine and sugar in a medium nonaluminum saucepan. Add julienned basil and bring mixture to a boil over medium-high heat. Place pears upright in poaching liquid, reduce heat, and simmer until pears are tender and do not offer resistance when pierced with a sharp knife (about 20 minutes).
3. Remove fruit with a slotted spoon to a serving dish. Return syrup to a boil and reduce by half to about 1 cup (about 10 minutes). Pour syrup over pears and cool for 3 hours in refrigerator.
4. To serve, place pears in stemmed glasses, spooning some of the cooking juices over each fruit. Garnish with basil leaves.

Zinfandel Peaches: Follow recipe for Zinfandel Pears; substitute 6 peaches for pears. Peel peaches with a sharp knife, or dip in a pan of boiling water for about 1 minute to loosen skin and peel by hand. Halve and remove pit. Place in poaching liquid and cook until tender (15 to 20 minutes). Proceed with recipe.

NOTES : Pears, peaches, apples, and quince are among the many fruits that taste sensational when poached in red wine. Serve warm with a scoop of vanilla ice cream melting over the fruit; chilled in a wineglass; as the filling of a fruit tart; or warm with Chocolate Fudge Sauce. Mint is in the same herb family as basil and may be substituted for the basil in the recipe.

Chocolate Yeast Loaf

Serving Size : 1

Preparation Time :6:00

1/4 cup warm water
1 tablespoon sugar
1/2 cup sugar
1 package yeast
1 cup milk
2 tablespoons butter -- cut in pieces

4. Beat eggs slightly and add the warm milk, butter and vanilla; blend. Add this mixture along with the yeast mixture to the flour. Stir in the walnuts and raisins. Mix all with a mixer with dough hook, or by hand with a wooden spoon.
5. Turn onto a lightly floured surface and knead for 5 to 6 minutes until smooth and elastic. Or continue mixing in the mixer and knead only 2 minutes or so. Add more flour if necessary.

6. Grease a large bowl and place the dough into it, turning to grease all sides. Cover and let rise in a warm place until dough has doubled in size, about 2 hours.

7. Knead the dough a few times, cover with plastic wrap and let rest for few minutes. Roll the dough into a large oval shape and roll up like a jelly roll, placing the seam side down. Roll from the narrow end to make it fit into the pan size you prefer. Use a loaf pan or a round casserole type pan. Butter a piece of plastic wrap and place loosely over the dough. Let rise again until doubled in size; about 1-1/2 hours.

8. Preheat oven to 350 degrees and place bread near the center of the oven, not too high. Bake for 25 minutes, then cover loosely with foil and continue baking 30 to 40 minutes longer.

9. Let cool for 10 minutes, then remove from pan and finish cooling on wire rack. Serve with butter and honey for a real treat.
