Operation Vampire Killer 2000

OPERATION VAMPIRE KILLER 2000 - P.O.BOX 8712, PHOENIX, ARIZ. 85066

OPERATION VAMPIRE KILLER 2000 -- A U.S. POLICE ACTION

PURPOSE

The Police Officers, National Guardsmen and military officers who have contributed to this special publication are aware of a plan to overthrow the Constitutional Republic of these United States of America.

This publication, many months in preparation, was found difficult to compile for many reasons. One important reason was that none of the officers involved were pleased with the duty of bringing to the attention of our colleagues the names and activities of some in our nation who have been in the past (or presently) engaged in what can only be described by law as treason and/or sedition against their own government.

While detailing the plan of these Internationalists, the main goal of this special police publication will be to promote an active program that will defend America from those at work forming an oligarchy of Imperialism against this nation of free people.

The herein-described plan to halt this unAmerican activity can succeed only with the combined efforts of the People's Protectors (the Police, Guardsmen and Military) and their countrymen in the private sector.

DEFINITIONS:

In defining "treason" and "sedition" we look to the Fifth edition of Black's Law Dictionary. pg. 1345, and pg. 1218

TREASON: The offence of attempting by overt acts to overthrow the government of the state to which the offender owes allegiance; or of betraying the state into the hands of a foreign power.

SEDITION: ...knowingly becoming a member of any organization which advocates the overthrow or reformation of the existing form of government of this state by violence or unlawful means.

The facts and information about some of the persons and their actions listed in this special report is prima facie evidence of their long involvement in activities directly designed to overtly overthrow the lawful, constitutional government of the United States of America. These individuals thus hope to deliver the People of the U.S. into the hands of a foreign power known as the United Nations, which is actually an oligarchy of the
world's superrich, who have no allegiance to any one nation and who control the U.N. from behind the scenes.

As the reader will find, many of these persons are, or have been, members of various organizations that have as their purpose the destruction of this Constitutional Republic.

IMPORTANT NOTE: Not all of the people listed in this report are involved in treason and sedition against the United States. Some of the individuals listed and quoted are presenting evidence of these crimes committed by others or are listed/quoted for informational purposes only.

As patriotic Americans of all races, religions and political beliefs, we claim our right to defend our Republic from all enemies foreign and domestic. This educational work is one such attempt.

THE NEW AGE / NEW WORLD ORDER GOVERNMENT PLAN

Many of our nation's INTERNAL PROTECTORS know of the well laid plan which will culminate in the year 2000, to usher the United States, along with the rest of the nations of the world, into a "utopian" global community allegedly under the control of a "philanthropic" United Nations. A great many of our fellow Officers and National Guardsmen are taking a stand against this plan because they realize that their fellow Americans were never allowed to know of this plan nor given the opportunity to vote on such a change in their government. In addition, the officers are concerned patriots and realize that this plan of world domination is injurious in the extreme, and a total fraud perpetrated against the people of the world!

This publication outlines the plan of these American Internal Protectors which they believe will stop this diabolical agenda.

THE NEW ORDER

Allegedly this new order is being set up to save THE PEOPLE OF THE WORLD from a whole variety of "imminent" life and world threatening disasters. Of those sworn protectors of the people that are aware of this global scheme, few realize that the actual behind the scenes plan is for an oligarchy of the world's richest families to place 1/2 the masses of the earth in servitude under their complete control, administered from behind the false front of the United Nations. To facilitate management capabilities, the plan calls for the elimination of the other 2.5 billion people through war, disease, abortion and famine by the year 2000. As we can plainly see, their plan for "Population Control" (reduction) is well established and under way.

OPERATION VAMPIRE KILLER 2000 PLAN

Our OPERATION VAMPIRE KILLER 2000 plan involves the awakening (education) of our fellow officers to the extreme need for them to take an immediate and active role in
assisting their fellow Americans in stopping this plan for world domination, using every lawful means available.

**HUMAN PARASITES**

These elitists and their families have made most of their massive fortunes off the American people, and have dedicated entire lifetimes to using public funds to subjugate the People to the will of their new world ARISTOCRACY.

This special police officer publication is a private endeavor, and is dedicated to those sworn Protectors of the People who refuse to play a role in enslaving their countrymen. We are proud of these brave Officers who are presently assisting other patriotic Americans of all races and creeds in halting this program for world domination called the NEW AGE/NEW WORLD ORDER.

Some of our Police/National Guardsmen readers suggested names for this private police action plan. Our government, to maintain privacy in its activities, has long been in the practice of choosing unusual names for covert operations, such as "Transylvania & Co.", "Garden Plot", "Operation Zapata", "Thunder Muffin, Inc.", "Operation Watchtower", and "Cable Splicer", to name a few. We officers, while in the alternative, desiring the greatest amount of publicity about our plan of attack against these anti-American types, likewise have chosen a cute little name for our off-duty, First Amendment POLICE ACTION. That name is:

**OPERATION VAMPIRE KILLER 2000**

It is felt that this name reflects the actual program in which officers are involved, designed to stop or "kill off" the ongoing, elitist, covert operation which has been installed in the American system with great stealth and cunning. They, the globalists, have stated that the date of termination of the American way of life is the year 2000. Therefore it is fitting that our date to terminate, at the very least; their plan, is also the year 2000.

**LET IT BE WELL UNDERSTOOD, WE PROTECTORS OR THE AMERICAN PEOPLE HAVE NOT ASKED FOR THIS BATTLE. IT IS OUR NATION'S ENEMIES WHO HAVE BROUGHT THIS FIGHT TO THE VERY DOOR OF EVERY GOOD AMERICAN.**

**BE IT RESOLVED:**

* Our prayer and promise is to do all within our power, as faithful countrymen, to overthrow this evil, treasonous plan in a completely non-violent, lawful manner.

* Our sworn duty is to protect the people of this nation and its Constitutional, republican form of government from any enemy that would come against it.
* Our pledge is that WE WILL, BY EVERY MEANS GIVEN UNTO US, UPHOLD OUR OATHS AND FULFILL OUR SWORN DUTY TO OUR COUNTRYMEN.

PUTTING THE STAKE THROUGH DRACULA'S HEART

WHAT CAN WE DO, WHAT SHOULD WE DO? The Globalists' agenda is a diabolical program which, through patient gradualism, is slowly draining the moral, economic and political life blood from the United States and the hard working American people.

We in America, Officers and private citizens alike, are fortunate that at this moment in our history we can still LAWFULLY EXTERMINATE these parasitic Global Blood Suckers by placing numerous "STAKES" made of words, paper, pen, and hard work through their hardened hearts.

EVIDENTIARY FOUNDATION

Presented here are oft-used, famous quotes and statements which will make for easy reference for those who wish to use them to educate our fellow officers, National Guardsmen and military, or the private sector. As the reader will see, most of these statements have been around for many decades and are known by those who study history and the machinations of megalomaniacs known today as Globalists. Most are not new revelations, but just the opposite; however, few will ever be found in the controlled press. There are literally thousands of such well-worn statements about the coming world government. We have selected some of the very best and well known.

INVESTIGATOR'S NOTE: As the investigator will notice not all of the quotes are documented as to date and place of utterance. This will trouble some. If this is a problem to the reader, he should either eliminate those quotes, or consider, as police investigators do, the great preponderance of evidence pointing toward a given hypothesis! In addition, as in other investigations, sometimes the investigator must look at the results to accurately check the validity of the information one is receiving. This is to say, that many times we must look to see if what the statement purported would occur, ACTUALLY OCCURRED, in order to check and see if the original information received was valid. As the investigator will recognize, this same process used by law enforcement in proving the reliability of a Confidential Informant (CI). The reader will readily see that what the undocumented statements listed in this publication exposed, or stated would occur in the future, has either occurred, or is in the process of taking place today. Therein lies the proof of the original statements and why they were chosen to be included in this publication.

FACTS SPEAK FOR THEMSELVES

FROM THEIR WORKS YOU WILL KNOW THEM. Here are their words and works, and some very important evidence (STAKES) to use to expose and "kill off" the World Government Vampires in our society. In addition to this are included other pertinent
materials (government maps, etc.) all of which revealed other parts of the same treasonous operation.

With these facts in hand, our nation's internal protectors, police and National Guardsmen, will be able to alert even the most hard headed of our colleagues to understand that:

**VERY SOON, IF WE DO NOT STOP THESE WORLD GOVERNMENT PROPONNENTS, AND INSTALL IN PLACES OF LEADERSHIP HONORABLE MEN AND WOMEN, ALL MILITARY, NATIONAL GUARDSMEN AND OFFICERS OF THE LAW WILL BE USED AS THE "ENFORCEMENT ARM" TO GUARANTEE A FULL COMPLEMENT OF "VOLUNTEERS" FOR THESE IMPERIALISTS' "PEACEFUL" SOCIALIST GLOBAL SOCIETY.**

**EXPOSURE IS THE DEATH KNELL OF THE NEW WORLD ORDER**

Investigating Officers always must demand proof of a crime. No assumptions can stand alone. Here are the confessions right from the mouths of these parasites of liberty. Once armed with this information, our PLAN is simply for each officer to take this publication, make copies of it (or order more copies) and pass them out ASAP to every Police Officer and National Guardsmen he knows. All officers, for their own welfare, and in order to be of assistance, need these facts. Keep in mind that these global government Blood Suckers, just like the old movie Vampires, must do their dirty deeds in darkness. The purpose of this publication is to bring that darkness to light! If we do this, the only other activity we "Police Against the New World Order" need apply is to **UPHOLD OUR OATH OF OFFICE**. In other words, our duty is to protect the people and their rights under the U.S. and State Constitutions.

We welcome every Internal Protector that loves liberty and has taken an oath "to protect our U.S. Constitution and the freedoms of their fellow countrymen", to join us in **SAYING "NO" TO THE NEW WORLD ORDER.**

**WHAT "NEW WORLD" ??**

Man's desire to rule the world is as old as his presence on the earth. The "New" World Order is actually the same old plan for world dominion. Biblical history itself shows this to be true. The tower of Babel was one such futile attempt by men to set up a ONE WORLD SOCIETY without God. And God Himself crushed it. Satan tempted even Jesus, promising Him world dominion as His reward. This same promise has been given to scores of other men over the ages. History tells of many who have accepted the Great Deceiver's terms. This diabolical quest has continued on through the 19th Century and into the 20th with national and world figures each successively making plans for world rule. Listed here are but a few of such statements from many past decades up to the present.

**HOW SHALL WE KNOW?**
Some among us ask, "How shall we know when tyranny has come to America's door?"
There are very few answers that our Founding Fathers failed to leave us regarding the
proper and improper role of government. Here is the answer to the question of how we
shall recognize tyranny:

"SINGLE ACTS OF TYRANNY MAY BE ASCRIBED TO THE ACCIDENTAL
OPINION OF A DAY; BUT A SERIES OF OPPRESSIONS, BEGUN AT A
DISTINGUISHED PERIOD, AND PURSUED UNALTERABLY THROUGH EVERY
CHANGE OF MINISTERS (ADMINISTRATIONS) TOO PLAINLY PROVES A
DELIBERATE, SYSTEMATIC PLAN OF REDUCING US TO SLAVERY." - Thomas
Jefferson. (Has tyranny come to America?)

Another of our Founders said - "WHEN THE GOVERNMENT FEARS THE PEOPLE
THERE IS LIBERTY; WHEN THE PEOPLE FEAR THE GOVERNMENT THERE IS
TYRANNY". (There is no question at this time in our history that Americans fear their
government.)

**FAMOUS AND INFAMOUS QUOTES**

Like the legendary Vampire Dracula lays claim to his victims, the Globalist slowly drains
the essence of life and liberty from our Land. While it may be surprising to some, we will
begin this overview of U.S. treason and debauchery with America's current, number one
proponent of world conquest, President George Bush:

GEORGE HERBERT WALKER BUSH, President of U.S., CFR Director, Trilateralist,
"Lip-reader", CIA Director. Bush, one moonlit night in 1948 at Yale University, crawled
naked into a coffin. With 15 brother "Bonesmen" (as they call one another) encircling
him, he told personal tales of debauchery, took an occult oath, was raised ("born-again")
as a MAN-GOD, jumped into a pile of mud, thus joining the occult, elitist Skull & Bones
Society. He, indeed, is still a "Boner" today.

Bush spoke before Congress on Sept. 11, 1990, delivering a speech which he entitled
"Toward a New World Order". Addressing the subject of his Gulf War, he made his first
public utterance of his, and his rich cronies' plans for a world imperialism in stating that
the war in Iraq was "...a rare opportunity to move toward an historic period of
cooperation. Out of these troubled times...a new world order can emerge."

Let us take a moment to compare the statements of the "Father of our Republic" with
those of Internationalist George "Boner" Bush:

"The great rule of conduct for us, in regard to foreign nations, is in extending our
commercial relations to have as little political connection as possible." "...Why, by
interweaving our destiny with that of any part of Europe, entangle our peace and
prosperity in the toils of European ambition, rivalships, interest, humor, or caprice?"
"...It is our true policy to steer clear of permanent alliances with any portion of the foreign
world." - George Washington, September 19, 1796. (Which George should we follow?)
Bush has given his New World Order (NWO) pep talks at least 20 times over the last two years for various groups around the world. Space does not allow us to list all of these treasonous discourses; however, several more are listed further on in this report.

NOTE: DON'T MISTAKE THIS "BUSH BASHING" AS ANTI-REPUBLICANISM!

Many of our Officers are deeply involved in either the Socialist Republican Party or the Socialist Democratic Party. Both parties have played a large part in setting America on the course toward 3rd World Nation status. Bill Clinton's goals are identical to Bush's -- A New World Order Imperialism. Perot's ideas for government are also pro-globalism.

We can give Bush credit that his recent unabashed utterances of his dream of a New World Order served to awaken at least a few slumbering Americans. These Americans now understand that, what was long planned and covertly implemented, is well on its way to fruition. Some will remember historical accounts of other megalomaniacs of the past who acted upon similar global ambitions. Several of the following are relatively recent examples:

ADAM WISEHOPHF, Professor at Germany's Ingolstadt University, founded The Order of the Illuminati on May 1, 1776. This man designed the very plan of world domination that is still in use today to enslave the world's masses. Here, upon establishing his "Order of the Illuminati", he smugly reflects on his "conning" the gullible Christians of his day, saying:

"The most wonderful thing of all is that the distinguished Lutheran and Calvinist theologians who belong to our order really believe that they see in it (Illuminati) the true and genuine sense of Christian Religion. Oh mortal man, is there anything you cannot be made to believe?"

Evidently not! And a high percentage of Christians today are still being conned in the same way. One prime example of this are the millions of Christians, and most church denominations, who have fallen for the NWO plan of a "One World RELIGION", being spearheaded by the United Nations' National and World Counsel of Churches, behind the battle cry of ecumenicalism.

Watch the future and we will see only small groups of spiritual Americans, who will resist following the millions of "religious" lambs to the slaughter. The Lord of the Bible always warned His people to never follow the MULTITUDE.

WORLD AND NATIONAL LEADERS POINT THE WAY

Let us continue with statements from those who over the last few generations have recognized the One World conspiracy.
BENJAMIN DISRAELI, Prime Minister of England, was attributed with this statement in 1844: "The world is governed by very different personages from what is imagined by those who are not behind the scenes."

WINSTON CHURCHILL, Prime Minister of England, stated to the London Press in 1922: "From the days of Sparticus Wisehophf, Karl Marx, Trotski, Belacoon, Rosa Luxenburg, and Ema Goldman, this world conspiracy has been steadily growing. This conspiracy played a definite recognizable role in the tragedy of the French revolution. It has been the mainspring of every subversive movement during the 19th Century. And now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America have gripped the Russian people by the hair of their head and have become the undisputed masters of that enormous empire."

JUSTICE FELIX FRANKFURTER, U.S. Supreme Court Justice: "The real rulers in Washington are invisible and exercise power from behind the scenes."

JOHN F. HYLAN, Mayor of New York 1918 - 1925, said "The real menace of our Republic is the invisible government which like a giant octopus sprawls its slimy legs over our cities states and nation."

FRANKLIN D. ROOSEVELT, U.S. President, in a letter written Nov. 21, 1933 to Colonel E. Mandell House, Roosevelt states: "The real truth of the matter is, as you and I know, that a financial element in the large centers has owned the government of the U.S. since the days of Andrew Jackson." (History points to the last truly honorable and incorruptible American president as Andrew Jackson "Old Hickory").

ROWAN GAITHER, President of the Ford Foundation, in 1954 lends proof to what we know to be fact today, namely that many of our Presidents have been a knowing part of this World Conquest plot. Mr. Gaither stated to Congressional Reese Commission investigator Norman Dodd: "We operate here under directives which emulate from the White House...The substance of the directives under which we operate is that we shall use our grant making power to alter life in the United states so that we can comfortably be merged with the Soviet Union." (Ike was President at the time.)

CARROLL QUIGLEY, Professor of History at Georgetown University, member of the CFR (one of the U.S. Organizations dedicated to World Government) stated in his book "Tragedy & Hope": "The Council on Foreign Relations (CFR) is the American Branch of a society which originated in England... (and) ...believes national boundaries should be obliterated and one-world rule established." (Professor Quigley, according to his book, was totally dedicated to the One World Government program. Hundreds of our City, State and National politicians are members of this and other NWO groups. Governor Clinton, for example, attended Georgetown U. and stated that his mentor, Professor Q., taught him so many wonderful things. Since Gov. Clinton and his wife are totally dedicated, International Socialists and NWO promoters, perhaps Prof. Q. did have a great affect!)
BARRY GOLDWATER, U.S. Senator (Arizona) in his book "WITH NO APOLOGIES" stated this about another Globalist group: "The Trilateralist Commission is international...(and)...is intended to be the vehicle for multinational consolidation of the commercial and banking interests by seizing control of the political government of the United States. The Trilateralist Commission represents a skillful, coordinated effort to seize control and consolidate the four centers of power - POLITICAL, MONETARY, INTELLECTUAL, and ECCLESIASTICAL."

PETER HOAGLAND, Nebraska State Senator and Humanist, speaking on radio in 1983 with the great American Pastor and Patriot Everett Sileven said: "Fundamental, Bible believing people do not have the right to indoctrinate their children in their religious beliefs because we, the state, are preparing them for the year 2000, when America will be part of a one-world global society and their children will not fit in."

DAVID ROCKEFELLER, International billionaire, Humanist, CFR kingpin, founder of the Trilateralist Commission, World Order Godfather (and in all probability the High School graduate voted "Most Likely to Be Hanged for Treason"), voiced his praise of the controlled U.S. media for keeping their oath not to divulge the Globalist plans to the public. Speaking to his fellow conspirators at a meeting, June 1991 in Baden Baden, Germany, of yet one more infamous World Order group, the Bilderbergers, Mr. Rockefeller said:

"We are grateful to the Washington Post, The New York Times, Time Magazine and other great publications whose directors have attended our meetings and respected their promises of descretion for almost forty years."

He went on to explain:

"It would have been impossible for us to develop our plan for the world if we had been subjected to the lights of publicity during those years. But, the world is now more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national autodetermination practiced in past centuries."

(It is not reported if the attendees kissed his ring - or anything else - after their leader bestowed his blessing on those in attendance). Actually, we could ask Governor Clinton or Dan Quayle, both of whom were there. Bush and Clinton are Bilderbergers, Internationalists, and their goals are exactly the same for America.

Let us repeat ... CLINTON'S, BUSH'S, AND PEROT'S, PLANS FOR AMERICA ARE VIRTUALLY IDENTICAL. The Republicans and Democrats goals for America are virtually identical. They both are taking our nation into global government.

Globalist Mr. Dan Quayle was there at the June 91 meeting being sized up as a possible Bilderberger U.S. Presidential contender for 1996. The major media's job is to convince
Americans that the Republicans and Democrats are on opposite sides and fighting each other.

JAMES PAUL WARBURG, Foreign Agent of the Rothschild Dynasty, major player in the Federal Reserve Act scam: on February 17, 1950, while speaking before the United States Senate, this pompous Internationalist boasted confidently, "We shall have World Government, whether or not we like it. The only question is whether World Government will be achieved by conquest or consent."

ROBERT KENNEDY, former U.S. Attorney General of the U.S.: "All of us will ultimately be judged on the effort we have contributed to building a NEW WORLD ORDER." - 1967 (We can all agree with Robert on one thing: All traitors who participate in the NWO WILL be judged one day!)

THE WORLD MONEY POWERS

The Global MONEY Vampires are in control of the finances of most of the world. Here are some statements of those who, past and present, have been aware of that control:

GEORGE W. MALLONE, U.S. Senator (Nevada), speaking before Congress in 1957, alluded to the families that secretly own the "Federal" Reserve Bank and control the finances of the U.S.. He stated:

"I believe that if the people of this nation fully understood what Congress has done to them over the last 49 years, they would move on Washington; they would not wait for an election.... It adds up to a preconceived plan to destroy the economic and social independence of the United States!"

THOMAS JEFFERSON, U.S. President: "I believe that banking institutions are more dangerous to our liberties than standing armies. Already they have raised up a monied aristocracy that has set the Government at defiance. The issuing power should be taken from the banks and restored to the people to whom it properly belongs."

JAMES A. GARFIELD, U.S. President: "Whoever controls the volume of money in any country is absolute master of all industry and commerce."

HENRY FORD, Founder of Ford Motor Company, commented on the privately owned "Federal" Reserve System scam: "It is well enough that people of the nation do not understand our banking and monetary system, for if they did, I believe there would be a revolution before tomorrow morning."

LEWIS MCFADDIN, U.S. Congressman, said this about those same international financial conspirators, during the very time they were taking over the monetary control of America: "We have in this country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal Reserve Banks, hereinafter called the FED. They are not government institutions. They are private monopolies which
prey upon the people of these United States for the benefit of themselves and their foreign customers...

AMERICAN MERCURY MAGAZINE, December 1957, pg. 92. "The invisible Money Power is working to control and enslave mankind. It financed Communism, Facism, Marxism, Zionism and Socialism. All of these are directed to making the United States a member of World Government..."

(With very little study one can easily prove the above is 100% correct)

MAYER AMSCHEL BAUER, (alias Rothschild/Head Bloodsucker) The Godfather of the Rothschild Banking Cartel of Europe stated, "Give me control of a nation's money and I care not who makes the laws."

(Our Congress gave him and fellow international Bankers complete control of the U.S. monetary system through passage of the "Federal Reserve Act, the Income Tax Act, and the 17th Amendment in 1913.)

ROTHSCHILD BROTHERS OF LONDON. In a letter discussing their new banking scheme with fellow conspirators, June 25, 1863, they stated:

"The few who understand the system, will either be so interested in its profits, or so dependent on its favors that there will be no opposition from that class. The great body of people, mentally incapable of comprehending the tremendous advantages will bear its burden without complaint".

(This was long before their takeover of the U.S. banking system).

RUSSELL MUNK, Assistant General Counsel, Dept. of the Treasury, in a 1977 letter admitted: "Federal Reserve Notes Are Not Dollars."

(Then what is that paper stuff in your wallet?)

ONE LAST WORD ON THE MONEY VAMPIRES: Do we wonder why so many Americans are being sucked dry and are losing their homes, farms and businesses each week? Is it just "cyclical (temporary) economic downturn" as the Establishment "Experts" and controlled media tell us? That is a fabrication to the 10th power. If any Officer doubts this after reading the preceding statements by the money parasites, it would be wise to consider this secret communique circulated among the leading U.S. Bankers only, way back in 1934, entitled,

THE BANKERS' MANIFESTO

"Capital must protect itself in every way ... Debts must be collected and loans and mortgages foreclosed as soon as possible. When through a process of law the common people have lost their homes, they will be more tractable and more easily governed by the
STRONG ARM OF THE LAW (Cops) applied by the central power of leading financiers. People without homes will not quarrel with their leaders. This is well known among our principle men now engaged in forming an imperialism of capitalism to govern the world. By dividing the people we can get them to expend their energies in fighting over questions of no importance to us except as TEACHERS OF THE COMMON HERD." (Taken from the Civil Servants' Year Book, "The Organizer" Jan. 1934.)

When, fellow "Strong-Arms-of-the-Law", Americans are now losing 4,000 homes, 2,000 farms, 2,500 businesses per week to the Money Vampires who made the prior statement. Is it just a coincidence? How many homes, businesses and farms have you helped to take away from good Americans for the IRS/Banksters? For those Officers who still do not know it, "YES, THE IRS IS AN ESSENTIAL PART OF THE WORLD ORDER PLAN TO DIVEST AMERICANS OF THEIR WEALTH, AND MAKE THE PEOPLE THEMSELVES PAY FOR THEIR OWN NATIONAL DESTRUCTION."

The above should make every Officer stop and think before assisting the bankers or "their" IRS government revenue agents.

It happens a thousand times a day across this land that our fellow Officers are unknowingly made a party to fraud and theft. And if you are one such Officer, then YOU unknowingly become the "executioners" for the men behind this diabolical system. Take heart, Officer. You can learn, as many others have, how to be a VAMPIRE KILLER, uphold your oath to protect the American People, and at the same time stay within the law.

MEDIA BLACKS OUT THE FACTS

"BUT SURELY, IF THIS WORLD CONSPIRACY WERE TRUE I WOULD HAVE HEARD ABOUT IT IN THE DAILY NEWS!"

As in all investigations, it always comes down to, "How can we prove our case?" We personally feel it's hard to top the proof coming from the mouths of the very ones involved in this treacherous unAmerican program. Here's one terrific example. John Swinton, the former Chief of Staff for the New York Times, was one of America's best loved newspapermen. Called by his peers "The Dean of his Profession", John was asked in 1953 to give a toast before the New York Press Club, and in so doing made a monumentally important and revealing statement. He is quoted as follows:

"There is no such thing, at this date of the world's history, in America as an independent press. You know it and I know it. There is not one of you who dares to write your honest opinions, and if you did, you know beforehand that it would never appear in print. I am paid weekly for keeping my honest opinions out of the paper I am connected with. Others of you are paid similar salaries for similar things, and any of you who would be so foolish as to write honest opinions would be out on the streets looking for another job. If I allowed my honest opinions to appear in one issue of my paper, before twenty-four hours my occupation would be gone. The business of the journalists is to destroy the truth; to
lie outright; to pervert; to vilify; to fawn at the feet of mammon, and to sell his country and his race for his daily bread. You know it and I know it and what folly is this toasting an independent press? We are the tools and vassals pf rich men behind the scenes. We are jumping jacks, they pull the strings and we dance. Our talents, our possibilities and our lives are all the property of other men. We are intellectual prostitutes."

Hard to believe? If there is any doubt -- read on.

RICHARD M. COHAN, Senior Producer of CBS political news said: "We are going to impose OUR AGENDA on the coverage by dealing with the issues and subjects WE choose to deal with."

RICHARD SALANT, former President of CBS News stated: "Our job is to give people not what they want, but what WE decide they ought to have."

And what is their "agenda"? What do they believe we, the American people THE COMMON HERD, "...ought to have"? Here is the answer:

**A U.S. COMMUNIST SAYS "LIBERALISM IS SOCIALISM"**

NORMAN THOMAS, For many years the U.S. Socialist Presidential candidate proclaimed:

"The American people will never knowingly adopt Socialism. But under the name of "liberalism" they will adopt every fragment of the Socialist program, until one day America will be a Socialist nation, without knowing how it happened."

(How sadly true his words. He (Thomas) and Gus Hall, the U.S. Communist Party Candidate, both quit American politics, agreeing that the Republican and Democratic parties by 1970 had adopted every plank on the Communist/Socialist and they no longer had an alternate party platform on which to run.)

Following are some statements made by a few of America's top news personalities, but altered just slightly. In honor of Socialist Presidential candidate Thomas, following each use of the word "liberal" let's place also the word "socialist". This may help us gain some insight into why America, after 70-plus years of continual "liberal" indoctrination (Brain-washing) on every media, educational, and political front, has drawn "Socialism/Communism" and the New World Order to her bosom.

HERMAN DISMORE, foreign editor of the N.Y. Times from 1950 to 1960: "The New York Times is deliberately pitched to the liberal (Socialist) point of view."

WALTER CRONKITE: "News reporters are certainly liberal (Socialists) and left of center."

BARBARA WALTERS: "The news media in general are liberals (socialists)."
We could go on, but I believe we get their point!

**WORLD GOVERNMENT UNDER THE UNITED NATIONS**

Just what is this "wonderful" global organization all about?

DR. KURK E. KOCH, Professor, Lectured at 100 Universities in 65 countries on 5 continents. Subjects of expertise: New World Order, Occultism, Extreme Movements, Parapsychology. His assessment of the coming NWO under the United Nations is that it will reduce everything to one common denominator:

"The system will be made up of a single currency, single centrally financed government, single tax system, single language, single political system, single world court of justice, single head (one individual leader), single state religion."

He further states: "Each person will have a registered number, without which he will not be allowed to buy or sell; and there will be one universal world church. Anyone who refuses to take part in this universal system will have no right to exist."

We should ask the following question of those fellow Officers who may doubt that they will be asked to enforce such a system on the American people, "Whom do they think will enforce all of this? Who will make the masses "fit-in"? Who will "remove" those who do not fit-in? Will it be the auto mechanics, bankers, school teachers, bakers, or candlestick makers?? Or, is it more likely to be Enforcement Officers?

JOHN E. RANKIN, U.S. Congressman: "The United Nations is the greatest fraud in all History. Its purpose is to destroy the United States."

And one more classic quote from our traitor President: "It is the SACRED principles enshrined in the UN Charter to which we will henceforth pledge our allegiance." - UN Building, February 1, 1992.

UNBELIEVABLE! That ought to FRY THE GRITS OF EVERY LAWMAN AND TRUE AMERICAN THAT READS THIS QUOTE. Brother and sister Officers, how many of you are going to take a "sacred" oath of allegiance to the U. N. World Government?

Imagine, there will still be a few of our fellow Officers who will read this treasonous claptrap and not believe that they will soon be ENFORCERS in a totalitarian world government.

There is no question that Bush, Clinton and Perot want Officers to join them in swearing allegiance to such as the following:
UNITED NATIONS' WORLD CONSTITUTION: "...The age of nations must end... The governments of the nations have decided to order their separate sovereignties into one government to which they surrender their arms."

NEED WE SAY MORE?

We must, with great haste, awaken our fellow officers and ask them, "Will you pledge your allegiance to this NEW SLAVE STATE as your traitor President or his fellow Internationalist Slick Willie Clinton and H. Ross Perot believe you will??

ZBIGNIEW BREZHINSKY, National Security Advisor to Pres. Jimmy Carter and advisor to 4 other presidents, Exec. Dir. of Trilateral Comm. Marxist and proud of it! Here he speaks about what a New World Order will be like: "The technetronic era involves the gradual appearance of a more controlled society. Such a society would be dominated by an elite, unrestrained by traditional values."

WE MUST MAKE OFFICERS LISTEN! Whom do we think will "dominate" the masses in this UN-controlled society of "non-traditional" (unGodly) values?

ZBIGNIEW continues: "Soon it will be possible to assert almost continuous surveillance over every citizen and maintain up-to-date complete files containing even the most personal information about the citizen. These files will be subject to instantaneous retrieval by the authorities." - From Zbig's book, BETWEEN TWO AGES.

ADLAI STEVENSON, Council on Foreign Relations member and promoter of U. N. "Salvation": "The U.S. program (UN program) calls for total elimination of national capacity to make international war." (Take comfort in the fact that the U.N. promises to protect us.)

WALT RUSTOW, Council on Foreign Relations member and U.N. spokesmen: "It is in the American interest to put an end to Nationhood." (Sure it is, Walter!)

HUMANIST MANIFESTO, Article 12: "We deplore the division of humankind on nationalistic grounds. We have reached a turning point in human history where the best option is to transcend the limits of national sovereignty and to move towards the building of a world community. We look toward the development of a system of world law, world order, based upon transnational government." (Humanists propose that the United Nations care for and control all peoples of the earth.)

LT. COL. JAMES "BO" GRITZ (RET), U.S. Presidential Candidate 1992, Most decorated Green Beret Commander in American history. Commander, U.S. Army Special Forces, Latin America. Chief, Delta force. This great American hero explains the conspiracy within the U.S. government as follows: "...A spider web of "patriots for profit," operating from the highest positions of special trust and confidence, have successfully circumvented our constitutional system in pursuit of a New World Order.
They have infused America with drugs in order to fund covert operations while sealing the fate of our servicemen left in communist prisons.

Hiding behind a mask of official righteousness, this secret combination seeks to impose its own concept of geopolitical navigation, nullifying liberty as the hard won birthright of all Americans”.

THE RELIGION OF THE NEW WORLD ORDER

DAVID SPANGLER, Director of PLANETARY INITIATIVE, (a United Nations World government group): "No one will enter the New World Order unless he or she will make a pledge to worship Lucifer. No one will enter the New Age unless he will take a Luciferian Initiation."

RALPH NADER: "Is there a number or mark planned for the hand or forehead in a new cashless society? YES, and I have seen the machines that are now ready to put it into operation."

(Does this sound familiar - hand and forehead???) This "marking" may be another job for our U.S. Police Officers/Guardsmen, soon to be U.N. Enforcers, who have taken the U.N. oath of allegiance which "Boner" Bush mentioned earlier.)

FRENCH TRAVEL POSTER

A 1992 French "New World Order" Color Poster: Depicts people as robots, constructing a new Tower of Babel inside the old tower that God had destroyed. These robotic people are trying to reach their god who is depicted with the sign of Lucifer (The Goat of Mendez five pointed star) above the newly built tower. The caption reads:

EUROPE: MANY TONGUES, ONE VOICE

As students of the scriptures know, the building of the Tower of Babel was man's first attempt to set up a World Order. God Himself destroyed this abomination and punished the people. This poster is most revealing. A copy in the right hands can assist in pointing out to our colleagues that many of those who are in leadership in establishing this new order are truly religious, not atheist, as we are led to believe. But, whom do they worship? The poster clearly shows their god is Lucifer and they are proud of it. The picture on the poster points out that the New World Order promoters know the Scriptures and they are determined to once again defy the One True God.

We are presently in the process of trying to get several hundred of these French New World Order Posters. It looks like we may be successful and some of you may wish to have one. If you are interested here is the deal: The donations/proceeds from the sales of this color poster will be used as a fundraiser to reach and educate more of our colleagues in Law Enforcement. NEW-AGE PROFESSORS TEACH OUR CHILDREN'S TEACHERS

Turning now to education, let's quote a few of the top U.S. spokesmen and professors in that field, to see the over-all philosophy used to train our teachers, who then go on to prepare our children for the New World Order.

DR. CHESTER PIERCE, Harvard University Professor, Humanist, New World Order Guru. This professor instructs teachers and those students who aspire to become teachers of our children as follows:

"Every child in America who enters school at the age of five is mentally ill, because he comes to school with an allegiance to our institutions, toward the preservation of this form of government that we have. Patriotism, nationalism, and sovereignty, all that proves that children are sick because a truly well individual is one who has rejected all of those things, and is truly the international child of the future."

DR. PAUL BRANDWEIN, Leading U.S. child psychologist. This man also instructs teachers on how to recognize mental disability in our school children. He states: "Every child who believes in God is mentally ill." (All government schools have a psychologist.)

DR. SIDNEY SIMON, Lecturer, Educator who some say specializes in encouraging immoral and criminal activities in youths. He instructs teachers as follows:

"We do not need any more preaching about right or wrong. The old 'thou shall nots' simply are not relevant." Further he says, "Values clarification is a method for teachers to change the values of children without getting caught."

HUMANIST CURRICULUM: Along with these "Humanist Wackos" training our nation's teachers to be "change agents" for their New World Order, there is the matter of the literature that they have for teachers to use to instruct American children. One such book entitled "Weep for Our Children", might explain to Police Officers a great deal about why the crime rates in school age children are skyrocketing. Consider this one passage touting the humanistic "Values Clarification/Situation Ethics" program:

"It's OK to lie. It's OK to steal. It's OK to have premarital sex. It's OK to cheat or to kill if these things are part of your value system, and you clarified these values for yourself. The important thing is not what values you choose, but that you have chosen them for yourself and without coercion of parents, spouse, priest, friends, ministers or social pressure of any kind."

This type of values/moral code (or lack thereof!) is all to evident in American Schools today, as many Police Officers know. Many officers write expressing alarm at seeing this type of unholy "Situation Ethics" instruction so wide-spread in our nation's schools.
For decades, it has been the job of those within the psychology field to introduce to the American Public the idea that those who believe in God are sick and must be "enlightened" or eliminated, and that "immorality" is the only path to the NEW AGE. And indeed it is. The several quotes below will drive home this well planned scenario.

BERTRAND RUSSELL, philosopher, educator and atheist: "I think the subject which will be of most importance politically is Mass Psychology. ... It's importance has been enormously increased by the growth of modern methods of propaganda ... Although this science will be diligently studied, it will be rigidly confined to the governing class (Elite). The populace will not be allowed to know how its convictions were generated."

One of the great Psychiatrist Gurus of Mental Health speaks:

DR. G. BROCK CHISHOLM, First head of the World Federation of Mental Health (A NWO group.) "What basic psychological distortion can be found in every civilization of which we know anything? The only psychological force capable of producing these perversions is morality - the concept of right and wrong. The re-interpretation and eventual eradication of the concept of right and wrong are the belated objectives of nearly all of psychotherapy."

"The pretence is made that to do away with right and wrong would produce uncivilized people, immorality, lawlessness, and social chaos. The fact is that most psychiatrists and psychologists and other respected people have escaped from moral chains and are able to think freely." - Taken from the updated book, NONE DARE CALL IT TREASON, by J.A. Stormer

Police Officers have been among the first to notice that such teachings have produced exactly the results he (the good Doctor) said they would not produce. He lied. There is no greater promoter of change than FEAR, and no greater creator of fear than chaos and lawlessness throughout a nation. The enemy of our system knows that immorality breeds chaos and lawlessness. Chaos and lawlessness breeds fear in the people and when fearful enough the people will accept any solution. Guess what the solution is?

We agree with Dr. Chisholm, that most of these minions of "psycho-babble" have truly "escaped" from any and all moral foundation in their lives. Anything their patients dream up is perfectly O.K. and encouraged by most such "professionals". This "there is no right or wrong" psycho-babble is what is being drilled into the heads of those American school children whose parents have unfortunately placed them in Government Indoctrination Centers which we erroneously call our "educational" system.

In case any officer reading this publication thinks that this change in the morals of our nation is accidental, he or she must read the book, "THE SOVIET ART OF BRAINWASHING - A Synthesis of the Russian Textbook on Psychopolitics", written by Kenneth Goff. In this book, Goff, a one time dues-paying member of the Communist
Party, writes: "During my training I was trained in Psychopolitics. This was the art of capturing the minds of a nation through brainwashing and fake mental health."

Kenneth Goff paid a high price for his efforts to alert the American people. After attempting to inform America of Marxist-trained Psychologists being placed inside the U.S. to change the morals and beliefs of our nation, he mysteriously died from poisoning in 1943. His farewell in his book says: "This manual of the Communist Party should be in the hands of every loyal American, that they may be alerted to the fact that it is not always by armies and guns that a nation is conquered." In this book is found an address by Beria, the Head of the Lenin School of Psychopolitics. His 1933 address to a group of American/Marxist Psychology students is most revealing.

Speaking to this group who would be returning to ply their treachery in the U.S. he says:

"A psychopolitician must work hard to produce the maximum chaos in the fields of 'mental healing.' You must work until every teacher of psychology unknowingly or knowingly teaches only Communist doctrine under the guise of 'psychology.' You must labor until every doctor and psychiatrist is either a psycho-politician or an unwitting assistant to our aims. You must labor until we have dominion of the minds and bodies of every important person in your nation (America). You must work until suicide arising from mental imbalance is common and calls forth no general investigation or remark. ... You must dominate as respected men the fields of psychiatry and psychology. You must dominate the hospitals and universities... You can come and take your instructions as worshippers of Freud ... Psychopolitics is a solemn charge. With it you can erase our enemies as insects. You (psychologists) can change their (leaders) loyalties by psychopolitics. Given a short time with a psychopolitician you can alter forever the loyalty of a soldier in our hands or a statesman or a leader in his own country, or you can destroy his mind.

Use the courts, use the judges, use the Constitution of the country, use its medical societies and its laws to further our ends ... By psychopolitics create chaos. Leave a nation leaderless. Kill our enemies. And bring to Earth, through Communism, the greatest peace man has ever known. Thank you."

(This is only part of Beria's speech to the visiting American psychology students.)

NOTE: Everything he asked these students to accomplish when they returned to practice their "art" in our nation has occurred. And now we can look forward to that "peace" he promised under the U.N. New World Order.

**WHAT IS THIS THING CALLED "@EE" ?**

JOSEPH STALIN stated that after Communism succeeds "... then, there will come a peace across the earth."

KARL MARX said "... the meaning of peace is the absence of opposition to Socialism."
THE LORD GOD said, "... they have seduced my people, saying PEACE; and there was NO PEACE." (Ezekiel 13:10)

St. PAUL said, "For when they shall say, 'PEACE and SAFETY', then sudden destruction comes upon them, as travail upon a women with child; and they shall not escape." (I Thes. 5:3)

We should note that the Globalists' main tactic and motivation to entice the world's people into their United Nations trap is ultimate "PEACE and SAFETY".

FOUNDING FATHERS' RECIPE FOR SUCCESSFUL GOVERNMENT

This affords a good chance to show the contrast between the kind of government our great leaders of the past gave us as a nation, and the immoral cesspool that is in place today. Using the memorable quotes that follow, compare and see if you can figure out why today our government, our families, and individual lives by the millions are falling apart.

JAMES MADISON: "We have staked the whole future of American civilization, not upon the power of government, far from it. We have staked the future ... upon the capacity of each and all of us to govern ourselves, to sustain ourselves, according to the Ten Commandments of God." (Question: Do we still govern and sustain ourselves by the Ten Commandments today?)

JOHN ADAMS: "Our Constitution was made only for a religious and moral people. It is wholly inadequate for the government of any other." (Question: Are Americans still a religious and moral people?)

BENJAMIN FRANKLIN: "Man will ultimately be governed by GOD or by tyrants." (Question: Which is it that governs us today?)

ANDREW JACKSON: "The BIBLE is the rock on which our Republic rests."

(Two Questions: - 1) When is the last time you have heard a public official honestly and accurately call America a Republic? 2) On the other hand, can a democracy rest on the BIBLE?

DANIEL WEBSTER: "If we abide by the principles taught in the BIBLE, our country will go on prospering." (Question: Why is our nation not prospering?)

ALEXIS DE TOQUEVILLE. Upon visiting America in the early 19th Century, this French historian observed: "America is great because America is GOOD. If America ever ceases to be good it will cease to be great."

* QUESTION: Based on the above quotes, "Why did America become the greatest nation in history?"
* QUESTION: Did the Founding Fathers place the concept of Separation of Church and State in our Constitution? Answer: NO. It is found in the Communist Constitution.

* QUESTION: If one wanted to destroy a nation like America, would he not look to what the Founders said was the cornerstone (Laws of God) upon which our Republic was built, and then ATTACK THAT VERY FOUNDATION?

GOALS OF AMERICA'S ENEMIES

KARL MARX: "My object in life is to dethrone God and destroy capitalism." (Question: Has he succeeded?)

LEV DAVIDOVICH TROTSKY: "Religions are illogical primitive ignorance. There is nothing as ridiculous and tragic as a religious government."

ANOTHER QUESTION: Is Trotsky's or Marx's plan any different than the Humanist Movement's plan? Check below.

AMERICAN HUMANIST MOVEMENT, Doctrinal statement:

"We are humanists ... We are not for God ... We are for socialism."

HUMANIST MAGAZINE, 1983 Jan-Feb. issue. Humanist John J. Dunphy: "I am convinced that the battle for humankind's future must be waged and won in the public school classroom by teachers that correctly perceive their role as proselytizers of a new faith which will replace the rotting corpse of Christianity."

HAVE THEY REACHED THEIR GOALS?

COMMUNIST RULES FOR REVOLUTION (Captured at Dusseldorf in May 1919 by Allied Forces)

1. Corrupt the young; get them away from religion. Get them interested in sex. Make them superficial; destroy their ruggedness.

2. By specious argument cause the breakdown of old moral virtues; honesty, sobriety, continence, faith in the pledged word, ruggedness.

3. Encourage civil disorders and foster a lenient and soft attitude on the part of government toward such disorders. (L.A. riots were just a coincidence?!...Of course!)

4. Divide the people into hostile groups by constantly harping on controversial matters of no importance. (Racial differences?)

5. Get people's minds off their government by focusing their attention on athletics, sexy books, plays, and other trivialities.
6. Get control of all means of publicity. (Media)

7. Destroy the people's faith in their natural leaders by holding the latter up to contempt, ridicule and obloquy (disgrace).

8. Cause the registration of all firearms on some pretext, with a view to confiscation and leaving the population helpless.

This is only a partial list. It was secured and stamped with the seal of Florida State Attorney, George A. Broutigam. This material testimony was taken from someone he terms "a known member of the Communist Party". According to this Communist's testimony this strategy is still part of the Communist plan to overthrow free societies such as the United States.

IN CONTRAST

Thomas Jefferson says, "To compel a man to furnish funds for the propagation of ideas he disbelieves and abhors is sinful and tyrannical." (Indeed it is!)

Most officers don't realize it but their federal and state governments are funding programs that were created by anti-American/New World Order proponents for the express purpose of lowering America's economic, spiritual and moral standards. (The North American Free Trade Agreement another destructive device being foisted on gullible Americans.)

PLAN WORKING PERFECTLY

So far we have put the spotlight on a good many New World Order BLOOD SUCKERS - obvious spies, seditionists, traitors, - some of them Americans, some foreign. There is an important, underlying factor in all this that must not be missed: The Global conspirators, along with thousands of their world government "conrades" in the U.S. have been deliberately whipping the American public into a fearful frenzy.

With just the "right" manipulations, they have been successfully conditioning our people to see all our societal systems - governmental, political, educational, penal, ecological, etc. - as completely out of control. This is not true.

Let us not be fooled. All of these areas are completely under their control and have been for decades.

They are functioning just as well as the enemy wishes them to function. Remember a;sp what Rowan Gaither, head of Ford Foundation said (in the "Famous and Infamous Quotes" section of this publication), the task is to "covertly lower the standard of living, the whole social structure, of America so that we can be MERGED with all other nations."
FACT: Their parasitic PLAN to cause this total (controlled) breakdown is "right on course". The American system is collapsing "on time", and just as programmed. Remember what FDR said, "In politics nothing happens by accident. If it happened, you can bet it was planned that way."

The plan of these globalists is that when America, the last "holdout", is brought to its knees, the American "sheep" will beg their new god (GOVERNMENT) to save them! The "salvation" they are being tricked into demanding will be the merging together of all nations under that great "bastion of peace and freedom", the United Nations.

**TRAITORS' GRAND FINALES (MARTIAL LAW THE GOAL)**

PLAN A

RACE WARS: We will see the fanning of the flames of their planned RACE WAR program in the months ahead as government, through some of their covert national organizations, promotes "whites hating people of color" and vice-versa. Aided by their controlled media, and NWO government-paid agitators/"leaders" on both sides, the goal is to frighten Americans, of all colors, into accepting Martial Law.

These elitists actually have no love for "minorities" or "commoners" of any race. Those who have studied these imperialists will notice that there is continual intermarriage among these superrich Internationalists' families. NEVER do they participate in the mixing of blood other than BLUE BLOOD.

The race mixing program was created for their "subjects" - i.e. the world's common people of all races. Some of these Internationalists have stated over the years, "... when all other humans are of one color, (brown), then they will be more easily managed."

**KEEP THE RACES FROM JOINING TOGETHER**

Racial strife is one of their most important NWO tools and they mean to keep it going. It has worked well for promoting the globalist cause in the recent past. HATE must be kept flowing to prevent the various races in America from finding out the truth. If they find out who is destroying their freedoms and economic future, they might find some way to work together to overthrow their COMMON ENEMY.

**WHO ARE THE AGENT PROVOCATEURS?**

Our problem is in identifying these NWO lackeys (agent/provocateurs). Incoming intelligence over the years has informed us that these provocateurs are of all racial mixes. Yes, whites, blacks, hispanic etc. are involved in promoting planned racial hate incidents and tensions to assist in causing the masses to accept Martial Law and serve the NWO gang. Although these employee/provocateurs have been promised a position of power in this "utopian" Socialist society, it is a shame that they are not smart enough to know that
they are to be "eliminated" when their usefulness has run out. (As has been the practice of every Marxist/Socialist conquering army after taking power.)

There is sound logic in this "execution of your agent/provocateurs", after you're in power. The logic is: "If these agents will spy and turn against their own people, then there is no way you can trust them to not turn on you." VERY TRUE! The other shame is that no tears will be shed for these traitors to their own people.

**PLAN B**

The globalists, along with their controlled media, are well along in the promotion of their PLAN B program. Here it is: With the threat of nuclear war supposedly subsiding, the American people "must have" a new Boogie Man!

ECOLOGICAL COLLAPSE: This phase involves the fraud of the "imminent ecological collapse of the world". This phase is being promoted by those who were not able to completely destroy America with Marxism. These NWO Marxists have therefore started, or taken over, the various GREEN (environmentalist) parties.

Many of these environmentalists are rightfully labeled the "Watermelons of the world". That is to say, green on the outside, but RED (Marxist) on the inside. Many wonderful, good, well-intentioned Americans are being duped into assisting with this fraud. Sadly, some are our families and friends.

**PLAN C**

VISITORS FROM FAR: This phase makes certain that few Americans escape the NWO program. How? By creating TOTAL PANIC. This is accomplished with 3 choices being offered to the gullible. The Globalists have "suddenly" brought to light their long planned and well established "UFO-Little-Devils-from-Outer-Space" CON, to strike utter fear in the hearts of all the people of the earth.

* The first choice: The subtle message to us, "the masses", is that, if we don't go willingly and gently into global government, we will be "eaten", "raped", or become the experimental guinea pigs for some far-out evil "SPACE CADETS". And of course, you can't ask for assistance and protection from your own country's government because as we all have been told, "no individual nation could possibly stand a chance in defence against this obviously 'superior' Race from space. AH, but isn't it wonderful that "salvation" is only a one-world government away?!

* A second twist to this planned scenario is: These "cute little space things" are our BOSOM BUDDIES; they bring tidings of good will, and come "conveniently" to SAVE our world from the brink of total destruction! "Isn't that precious?!"

In other words, this particular plan is to convince gullible Americans that anyone or anything (but that Jesus Christ "guy"), WILL SAVE OUR WORLD!
Quite "coincidentally", these same "funny little fellows" are also here to set up a UTOPIAN GLOBAL SOCIETY! Surprised?

* And the newest twist to the CON (to grab religious Americans that did not fall for the first two) is that Christ Himself has sent these wonderful little "UFO things", in HIS place, to save us. (Suggesting, we suppose, that Jesus Christ got busy and had to "delegate". And as soon as these "wonderful" Space "Disciples of Christ" get us all together in a New World Society, He (Christ) will be along to take over. Think of them as God's Secret Service advance team!) Believe it or not.

Is there something there? ... "OUT THERE"? Absolutely! But, are THEY truly coming from "out-there"? We are not to be told, at this time, the truth about what these entities are, or who has absolute control over them. If we were told the truth we would never fall for their New World Order UFO con.

It is sad to see coming true what the Scriptures foretold, namely, that some of the most spiritual and intelligent people in our world are being completely deceived by our government and "spiritually enlightened" con men ... (and women).

As foretold, it's happening before our eyes. SHAME!

In all seriousness, for anyone that does not believe that the UFO scare is a contrived fraud, it should be agreed that the wise position to take is on the side of caution. Consider it possible that those who promote the NWO plan are presently involved in a "trial run" of all three of the above described UFO scenarios. Such plans are being promoted by the Globalists, among those whom they consider to be the "Wacko", "Radical", "Extremist", Nationalist, Pro-American organizations, in order to test which scenario is more acceptable. For example, pick any one of the three scenarios below:

(1) The evil little devils from outer space, who will dissect, destroy or devour us all.

(2) The sweet, funny, little COSMIC critters who, like our government, are only "HERE TO HELP YOU!"

And lastly, for the gullible religious masses:

(3) The Space "Diciples of God" bringing salvation to earthlings.

Indeed the Globalists care not which we choose. For they all lead to their NEW WORLD ORDER. Tell our brothers and sisters to just - think about it!

(Some of the above information has come from those on the "inside" and some from "outside" our government. It's nice to have our own agents inside their anti-American, anti-God cliques. What is that French word - TOUCHE?)

THE GREAT DELUSION - Will you be caught?
Called America's greatest female writer, Ellen G. White said it like this:

"The last great delusion is soon to open before us. Antichrist is to perform his marvelous works in our sight. So closely will the counterfeit resemble the true that it will be impossible to distinguish between them except by the Holy Scriptures." (The Great Controversy, 1888). And so it is.

LISTEN CAREFULLY: THIS IS NOT A RELIGIOUS PUBLICATION

Some may say that this is not the type of publication that should go into "religion". We agree, to a point. However, if religion is being used by the enemy of America to attack Americans, then like it or not, we must address it. It is the enemy of our nation that is using "spiritualism" to trick millions of religious fellow officers, and private citizens into falling for their NEW AGE/NEW WORLD ORDER fraud. One wise tip: Leviticus 19:31 says, "Regard not them that have a familiar spirits; neither seek after wizards, to be defiled by them; I am the Lord your God."

FOR MORE INFORMATION ON THIS IMPORTANT SUBJECT:

If this is not enough, one of the best sources on the "spiritualism" fraud against the American people is Dr. Cathy Burns' writings on these subjects. Write to SHARING - 212 F. 7th. St., MT. Carmel, PA. 17851. This wonderful "brainy" lady is one of the best. Another very good source on this "religious" NWO con-job is Tex Marrs' FLASHPOINT News-letter. Write to Living Truth Ministries, 8103 Shiloh Court, Austin, Texas 78745.

COMMUNISM GONE? DON'T TAKE ANY BETS!

V.I. LENIN: "It would be the greatest mistake, certainly, to think that concessions mean PEACE. Nothing of the kind. Concessions are nothing but a new form of war."

DMITRI MANUALSKY, Soviet Diplomat (1947) revealed the Communists' intention to brainwash the American public: "We will offer the Christian world unheard of peace overtures, and these nations, stupid and decadent, will leap at the chance to be our friends; they will willingly cooperate in their own destruction. Then, when their guard is down, and they have gone to sleep, we will smash them with our clenched fist."

Many gullible Americans, and the controlled U.S. media, will gush, "The above statement was uttered a long time ago and things have truly changed in the new Commonwealth of "Independent" States (CIS)." Is that so? Read on!

MIKHAIL GORBACHEV's speech at the 70th anniversary of the Bolshevik Revolution (1987): "...In October 1917, we parted with the old world, rejecting it once and for all."
We are moving toward a new world, a world of Communism. We shall never turn off that road."

And from his speech to the Soviet Politburo, November 1987:

"Gentlemen, comrades, do not be concerned about all you hear about Glasnost and Perestroika and democracy in the coming years. They are primarily for outward consumption. There will be no significant internal changes in the Soviet Union, other than for cosmetic purposes. Our purpose is to disarm the Americans and let them fall asleep. We want to accomplish three things:

One, we want the Americans to withdraw conventional forces from Europe.

Two, we want them to withdraw nuclear forces from Europe.

Three, we want the Americans to stop proceeding with Strategic Defence Initiative."
(And alas, that is what has been done!)

GENERAL SIR WALTER WALKER, Former NATO Commander-in-chief, following the phoney Soviet coup, said: "I consider it my duty to tell you of the extremely dangerous threats that lie ahead. I KNOW FOR CERTAIN that we are now in a period of the greatest strategic deception, perhaps in all history ... The Cold War is NOT over, only in the state of remission ... The Soviet Union is not truly 'on the verge of collapse'. Western defence, on the other hand, is."

Many of our readers are Intelligence Officers or former Intelligence Officers. We thank those readers who are members of the Intelligence community for providing the following FACTS which back up Gorbie and Sir Walter Walker's words:

FACT: Russian intelligence agencies are working as hard as ever at espionage in the U.S.. Both the DCI Robert Gates and FBI Director William Sessions have spoken out on the high level of Russian Intelligence collection efforts in recent months, now known by its Russian acronym SVR. Senior FBI counterintelligence official, Wayne Gilbert states the same thing, "There has been no apparent reduction in covert intelligence gathering here by the Russians." In contrast, Chief of the SVR, Yevgeny Primakov, said during a recent visit to Sweden, "I can tell you we no longer have cloak and dagger spies in the traditional sense, agents who meddle in other countries' internal affairs." - (Newsletter of the Assoc. of Former Intelligence Officers, Vol.XVII, No. 6, 1992.)

FACT: The KGB is still in control. As America's Global Elite purposely cut back on U.S. Intelligence activities, they know that the KGB is functioning more effectively than before the alleged breakup of the Soviet Union. It is housed under the new Russian Ministry of Security. It has been greatly strengthened by Yeltsin and is involved in more espionage activities against the West than ever before. As has happened four times in the past, after we (the West) once again rebuild the Communist infrastructure, the same old KGB with a new face, will step from its behind the scenes control of the CIS to
OUTWARDLY reclaim control of the "New", revitalized, rearmed, and more powerful Soviet Union.

FACT: America and Canada are disarming unilaterally.

FACT: Unknown to the masses, each of the nations that have split off from the "defunct" Soviet Union is presently covertly led by hard line Communists.

FACT: The "defunct" Soviet military is presently building more offensive weapons of all types, than at any time in its history. Production rate:

* 1 Tank division per month.

* 1 Nuclear Submarine every two months

* Numerous Tactical nuke bombs and mobile launchers (actual number unknown).

(This intel update is per Intelligence sources 6/92.)

(As with the last 4 times this CON JOB of a "Communist collapse" was perpetrated, all of this rearming and dramatic increase in espionage is being accomplished while the Communist's economy "CRASHES".

We must understand that the military build-up can occur only as long as tax dollars continue to feed the Commonwealth of "Independent" States people. And that is part of the NWO plan. What is it "Boner Bush" and other NWO nations are sending them? - $25 billion to begin with?)

Obviously, this has been an unbelievable CON JOB that started in 1917, when fellow Parasites, Jacob Schiff of Kuhn, Loeb and Company, Prescott Bush, Max M. Warburg, and a few other traitors sent Leon Trotsky, with his 300 New York trained private army of street thugs, to Russia with $20,000,000 in gold to finance Lenin and start the Bolshevik Revolution. These men started Communism for one reason: to promote the takeover of our nation of free people by Socialists so Americans would not be able to stand in the way of their New World Order plans. There was no way they could do this if America remained free, strong, and had no real threats to her security. For this reason, they built America an enemy! (There is not space here for a big history lesson regardless of the importance. For more of an honest review of our historic record read THE WORLD ORDER by Eustace Mullins. It can be obtained from Ezra Pound Institute of Civilization, P.O. Box 1105, Staunton, VA. 24401.

AMERICANS WON'T NEED GUNS IN "UTOPIA"

Police Officers must remember what the renowned H.L. Mencken said,
"To die for an idea: it is unquestionable noble. But how much nobler it would be if men
died for ideas that were true."

Officers are told the reason the guns have to be removed from the American People is to
stop crime and the killing of the innocent. This is a fabrication. Truthfully, the only
reason the guns must be removed is to stop any chance of our countrymen raising up and
throwing off the "wonderful" programs that their "philanthropic" government leaders
have planned for them.

It is time to seriously consider what each of us will do when these Global elitists in our
government instruct OFFICERS and NATIONAL GUARDSMEN to go forth and take
the guns away from the armed, good people of your city or town ... "FOR THEIR OWN
GOOD". Most Officers know the day will come when they will have to make that very
hard decision on this gun removal issue. The evidence is all around us that this day is
near.

Consider the imperialist NWO position. For the World Elite to truly enjoy their "utopian"
Socialist Society, the subject masses must not have the a means to protect themselves
against more "voluntary compliance". When one grasps this logical position, there is no
longer any question about it: THE GUNS WILL HAVE TO GO.

IF THERE ARE ANY Officers who still doubt this, we are about to prove this planned
scenario to you. Keep in mind that the second part of the three-part plan of the NWO
Regional Government program (which precedes the One World Government) is that
Canada, USA, Mexico and South and Central America are to be combined into one
Region. Hence, the North American Free Trade Agreement (NAFTA) is on FAST-
TRACK with the backing of our notorious NWO President, NWO Congressmen,
Senators and Governors. The other 2 parts presently in the works are: First part - the
uniting of the European Nations (Common Market), and #3 - the uniting of the Asian
Nations. These make up the "TRI" [3] parts of the Trilateral One World Government.

Understanding this well planned program will make the following "PERSONAL
PROTECTION" proclamation more clear to any doubting bobbies.

The following is a recent declaration from the government of Australia, which is a
member of the British commonwealth. The Canadians, our soon to be northern
countrymen, are also a British Commonwealth. Question: When we are merged with the
British Commonwealth by the Elitist NWO Parasites will we assume these British
Socialist anti-gun laws or will they assume ours?

|                            TO HAVE A GUN                            |
If you own a gun which you keep to protect yourself, your family, or your property, you must dispose of it legally. Under the latest gun laws, personal and property protection are no longer considered acceptable reasons to possess any type of firearm, or to get a licence.

If you wish to possess any gun, you must have a licence and meet the new requirements for safe storage of the weapon and its ammunition. When your current licence expires you must reapply if you want to continue to possess or use a gun. Be warned, making a false or misleading statement on your licence application could earn you ten years in prison.

Act quickly, if you haven't got a licence, now is the time to either apply for one, or legally dispose of your gun. One way you can do this is at your local police station. Possession and use of any firearm for personal or property protection is illegal and will attract severe penalties. No exceptions, no excuses.

NSW POLICE SERVICE

RESPONSIBLE GUN OWNERSHIP

The new South Wales Government
Putting people first by managing better

96 - SUNDAY TELEGRAPH, JUNE 14, 1992 - 96

LEGAL NOTICE

Realizing that the plan is to merge us Americans, Latin Americans, and Canadians, into one Region, you already know whose gun policies we are to adopt. (Mexico has the very same limited gun rights as Canada and Australia.)

DON'T WORRY. BE HAPPY, OFFICER!

Officers should not worry. There is a "good" plan to get the guns away from your fellow Americans. Should Officers be concerned - just because this "good" plan calls for them to go get 200,000,000 firearms (BATF figures are very low) away from 250,000,000 very "peaceful and cooperative" citizens? What do you think?

SOME "AN EASY MARK"

Some guns will be easily removed. Many unsuspecting (and very naive) Americans will turn in their "liberty teeth" (means of personal protection when told to do so. Every officer knows such people in the community, i.e. those "good" citizens who are too scared to oppose anything their government tells them to do.

Yes, even if they know it's wrong, they will go along or just keep their mouths shut. Every captive nation has a large percentage of such people. These are the "production
units" (PU's) that will fit very well into the New World Order. They are ready made slaves.

As strange as it may seem, many of these "sheep" still believe that they can trust and believe in our government to SAVE THEM from anarchy. This is amusing to some of our government officials and Police Officers. It amazes them that these people are so unaware of what is happening and continue trusting the same government that has planned and promoted the anarchy in the streets in the first place - precisely to scare them into submission. (See Aid & Abet Police Newsletter 2-2.)

L.A. RIOTS - AN ORCHESTRATION.

A prime example was the recent L.A. riots. The beating of King was not part of the plan, but it offered a grand opportunity to accomplish three important things for the Globalists.

1) Get rid of Chief Gates, who for years had stood in the way of Socialist -NWO gang member, Tom Bradley and others involved in trying to get the L.A. Police Dept. into the coming national police force. (See soon to be released book, THE CENTRALIZATION OF U.S. POLICE POWERS, available from U.S. Federal Law Research Center, P.O. Box 8712, Phx. AZ. 85066.)

2) Further convince the People that their only salvation from crime and evil in society will be found in the "protection" provided by a global government.

3) A grand opportunity for Globalists George, Pete and Tom to practice FEMA style Martial Law. It matters little that some among the masses have to die. Remember, the new government philosophy is the same as that of the Communist, "THE END DOES INDEED JUSTIFY THE MEANS."

Once again, the masses were to think that everything was out of control. It was not (the riots were planned). But it was a good enough reason that in a matter of hours, 2,000 U.S. Marines were on the streets of an American city. This was a very important test. A most severe breach of Constitutional law was brought to bear; and more importantly, the people said nothing. The masses complained only that the government should have acted sooner and in greater strength. For, when there is anarchy in the streets the "sheep" do not care who saves them. This planned Martial Law scenario actually worked out better than the NWO social planners ever expected.

DETECTIVE BROWN SPEAKS OUT

Los Angeles County Sheriff's Detective Larry Brown speaking in Phoenix, Arizona August 1992 stated that there was more behind the riots than the public knows. He revealed that known agitators from the Revolutionary Communist Party (RCP), Socialist Worker's Party (SWP), Progressive Labor Party (PLP) Socialist Organizing Network (SON), were there to press for a riot before it started and some members of these organizations participated in the rioting, looting, and arson.
He said that Mayor Bradley gave a very inflammatory statement that was broadcast on L.A. TV before the riots. He states, what many Police Officers already know, that Mayor Bradley has strongly supported the Communist Party USA since he first ran for mayor. Also, he received support from the ACLU, and National Lawyers Guild (Both pro-Communist groups.) In his 1969 bid to become mayor his political manager was Communist Party functionary Don Rothenberg. Gus Hall, the Director of the Communist Party U.S.A. came to L.A. to tell the Communists to help elect Bradley.

Some of our fellow Officers in Southern California believe, after evaluation of the evidence and results, that the outcome of the trial was planned by certain government officials and carried out with precision by the judge and prosecutor. We believe they are right. How did they manipulate the jury? (Read Aid & Abet Police Newsletter Vol.1 Num. 10, that addresses the science of how this is accomplished.) There is no doubt that it was understood what a NOT GUILTY verdict would accomplish. But, that's another story. (See Aid & Abet Vol.2, Num. 1 and Num. 2., which covers other parts of this incredible well-laid plan for creating anarchy in the streets and TERROR in the hearts of U.S. citizens. The goal: To get the citizens to give up their Bill of Rights so that their government can make the streets "safe again" through global government.)

BACK TO "GETTING THEM GUNS!"

Officers should keep in mind that some of the guns are not going to be easily removed. For instance, those owned by true patriots - those freedom-loving Americans who know, without a doubt, what's coming next if they give up their guns. It should not be a surprise to Police Officers that many good Americans will not walk meekly into NEW WORLD ORDER slavery. And there are few Officers who would want it any other way.

So the question each Officer individually must face is a very difficult but realistic one: "Which way will your own gun face when the orders are issued?" Will you protect the people you have sworn to protect? Or, will you do what other patriotic officers from other countries have done to their countrymen, "obediently just follow orders"?

Every Police Officer/Military soldier in every enslaved nation on earth has had to face this same question. Certainly, it's an individual decision whether or not to take lethal action against fellow countrymen when ordered to take their weapons (and with them their liberty). But, each Officer will make that decision.

OFFICER, WILL YOU KILL FELLOW COUNTRYMEN WHEN ORDERED TO TAKE THEIR WEAPONS? Perhaps it will help that you will be told by superiors, "It's for the national good", and/or, "It's for the good of society." (History proves that the nations' Enforcers can expect some such motivational indoctrination such as this.)

Could there be such a police action, taken against the public, if the police were told the truth, i.e. "that officers should take the guns and liberties from the masses so that the Controlling Elite of the nation can enslave them"? We think not.
Why not? Because national Police Enforcers are not mercenaries; they are always highly patriotic and would not do such a thing as enslaving their countrymen, unless in some manner they were totally convinced that it was the only thing to do to save the country, "the patriotic" thing to do... "FOR THE GOOD OF THE COUNTRY" don't you know!

"CRIMINALS" EVERY ONE

Actually, it may not be a difficult decision for some Police Officers and National Guardsmen, because before it comes time to take the guns, all these terrible, "radical RESISTERS with those nasty guns" will have been branded as "CRIMINALS OF THE STATE". And as you and I know, we have been trained that there is little wrong with killing an armed and resisting "criminal". RIDICULOUS? Have you ever wondered exactly how governments throughout recent history have gotten local and state Police Officers in other enslaved nations to participate in executing their own citizens. This is accomplished by labeling them "criminals". (Piece of Cake!)

It is not a figment of someone's imagination that thousands of unarmed fathers, mothers and children have been shot to death by their local police, while attempting to run or climb to freedom. It is through a process of indoctrination that the very best Officers - highly patriotic Officers - are brought to the point mentally where they can be counted on to do such things. Remember, it is always accomplished by convincing the best officers: "It is a necessary and patriotic thing to do."

PATRIOTIC AMERICANS WILL FIGHT TO THE DEATH

Police officers would do well not to see the above title as only part of the script out of a John Wayne movie.

We should consider, with utmost seriousness, that if good Americans (including internal protectors) allow this plan of the Globalists to get this far, it can be expected that casualties among Police Officers, National Guardsmen, and armed "criminal" patriotic citizens will be very high before the gun removal process can be successfully completed. (If indeed it can be completed.) But, with Police Officers and Guardsmen serving as the "cannon fodder" to enforce the Globalist plan, these deaths will be merely "acceptable loses" to those giving the orders and looking down from their safe and secure Ivory Towers.

It is therefore entirely relevant that our brothers and sisters decide very soon which side they will serve in the setting up of this "Utopian" Global Society. They must not be fooled by government officials that tell that that all men and women with American blood running through their veins will walk gently into lifelong servitude.

It cannot be contradicted that a great many out there on the other end of those half-billion "liberty teeth" (guns) still underscore the statement of J.J. Rousseau:

"I prefer liberty with danger to peace with slavery."
INTELLIGENT Americans read and study history. On the other hand, the vast majority of government "leaders", "educators" and media persons apparently don't! Concerning the 2nd Amendment, for example, they try to tell us that the Founding Fathers meant for only the Organized Militia (National Guard) to have weapons. Please read the quotes given below and decide: Could these countrymen have spoken any more plainly?

"NO FREE MAN SHALL EVER BE DE-BARRED THE USE OF ARMS. THE STRONGEST REASON FOR THE PEOPLE TO RETAIN THEIR RIGHT TO KEEP AND BEAR ARMS IS AS A LAST RESORT TO PROTECT THEMSELVES AGAINST TYRANNY IN GOVERNMENT." - THOMAS JEFFERSON

"THE SAID CONSTITUTION SHALL NEVER BE CONSTRUED TO AUTHORIZE CONGRESS TO PREVENT THE PEOPLE OF THE UNITED STATES WHO ARE PEACEABLE CITIZENS FORM KEEPING THEIR OWN ARMS." - SAM ADAMS

"THE GREAT OBJECT IS THAT EVERY MAN BE ARMED. EVERYONE WHO IS ABLE MAY HAVE A GUN." PATRICK HENRY

"AMERICANS NEED NEVER FEAR THEIR GOVERNMENT BECAUSE OF THE ADVANTAGE OF BEING ARMED, WHICH THE AMERICANS POSSESS OVER THE PEOPLE OF ALMOST EVERY OTHER NATION." - JAMES MADISON

Well now, those statements are really ambiguous aren't they?! Don't you wish our Founders would have stated clearly what was on their minds?

Why are our school children lied to by Establishment educators about this? You know the answer, don't you? Good NWO slaves will not need guns. And that is exactly what our children will have to look forward to if American Police Officers and National Guardsmen don't say "NO" TO THE NEW WORLD ORDER.

Here are several othe statements about the importance of guns in the hands of the masses:

VLADIMIR I. LENIN: "...one of the basic conditions for the victory of socialism is the arming of the workers (Communist) and the disarming of the bourgeoisie (the middle class)."

GEORGE KEENAN, 1964: "Popular revolt against a ruthless, experienced modern dictatorship, which enjoys a MONOPOLY OVER WEAPONS and COMMUNICATIONS, ... is simply not a possibility in the modern age." (U.S. conspirators already control the major communications sources, now they have to - GET THE GUNS!)

LEO TOLSTOY, 1893: "Governments need armies to protect them against their enslaved and oppressed subjects."

And one of our own:
PROFESSOR DEAN MORRIS, Government employee, Director of Law Enforcement Assistance Administration (LEAA), in testimony to Congress stated: "I am one who believes that as a first step the U.S. should move expeditiously to disarm the civilian population, other than police and security officers, of all handguns, pistols and revolvers ... no one should have a right to anonymous ownership or use of a gun."

His government LEAA administration would later publish, "There can be no right of privacy in regard to armament ... We seek a disarmed populace."

Our government now tells us that they "disbanded" LEAA.

FACT: They removed the name and address, but every tenant of the LEAA program is still in place and the goal and time table is precisely on course. (See book, U.S. Centralization of Police Powers.)

Who was it that said these words?

"If the opposition (citizen) disarms, well and good. If it refuses to disarm, we shall disarm it ourselves." All those Officers who answered, "Pete Wilson", "George Bush", "Willie Clinton", or "Ross Perot", you are wrong. It was actually JOSEF STALIN. A simple mistake!

Perhaps as a last HURRAH in closing this section on U.S. citizens retaining their guns, we should heed the cry of a recent victim of anti-gun legislation. In 1990, a female student from Beijing, Red China, described her parents last words to her:

"Tell the American people never to lose their guns. As long as they keep their guns in their hands, what happened here will never happen there." (Amen!)

BEFORE YOU CAN SEE WHAT IS WRONG, YOU MUST KNOW WHAT IS RIGHT

Freedom can exist only in the society of knowledge. Without learning, men are incapable of knowing their rights, ... Dr. Benjamin Rush - 1786:

We should recall, from the section entitled "New Age Professors", what DR. CHESTER PIERCE, Harvard University Professor, Humanist, New World Order Guru instructs teachers and those students who aspire to become teachers of our children, namely:

"Every child in America who enters school at the age of five is mentally ill, because he comes to school with an allegiance to our institutions, toward the preservation of this form of government that we have. Patriotism, nationalism, and sovereignty, all that proves that children are sick because a truly well individual is one who has rejected all of those things, and is truly the international child of the future."
Once we gain an understanding of the "money issue", it is not difficult to understand how NWO promoters gained control of our institutions of higher learning where public school teachers, who taught us and are now teaching our children, got their training.

I can assure you that we, and our children, did not reject "allegiance to our institutions ... Patriotism, nationalism, and sovereignty." But we were never taught the doctrines of the freedom principles upon which this nation was founded. Instead, we were indoctrinated with Socialist doctrines, reinforced by a controlled media. Most of our teachers did not do this consciously. The teachers themselves did not determine what was to be taught to our children, they just went along to get along. [Like many of us are still doing.] And, those few who had enough insight to protest were quietly removed from the school system.

Fortunately, we can quickly remedy that situation. There is now available an IBM compatible computer program published by THE CONSTITUTIONAL COMMON LAW LIBRARY which contains all the documents necessary:

"THAT THE GREAT, GENERAL, AND ESSENTIAL PRINCIPLES OF LIBERTY AND FREE GOVERNMENT MAY BE RECOGNIZED ..."

Our founders left us the tools we need, not only to learn to recognize the "ESSENTIAL PRINCIPLES OF LIBERTY AND FREE GOVERNMENT", but they also left us the legal tools to reclaim those liberties and freedoms. We only need to learn what those tools are and how to use them.

Volume 1 of the CONSTITUTIONAL COMMON LAW LIBRARY contains the full text of the Bill of Rights of ALL 50 STATES, the full text of the U.S. Constitution, The Declaration of Causes and the Necessity of Taking up Arms, The Declaration of Independence, The Declaration of Rights, The Northwest Ordinance, The Articles of Confederation and more ...

UNDERSTANDING THE VALUE OF THESE DOCUMENTS

In a very real sense, most of the documents contained within the CCLL program can be considered suppressed simply because they were not, until now, readily available to citizens. Consequently, not one citizen in ten thousand has ever read his own States constitution or it's Bill of Rights. The irony is that the documents themselves state that their primary purpose is "THAT THE GREAT, GENERAL, AND ESSENTIAL PRINCIPLES OF LIBERTY AND FREE GOVERNMENT MAY BE RECOGNIZED AND ESTABLISHED ..."

Many of these documents explicitly state that their specific intention is that ESSENTIAL PRINCIPLES BE RECOGNIZED. The Founding Fathers recognized that, without learning these essential principles, citizens would be unable to maintain their liberty and free government could not be maintained. We repeat:
Freedom can exist only in the society of knowledge. Without learning, men are incapable of knowing their rights, ... Dr. Benjamin Rush - 1786:

To truly understand and appreciate the value of these documents, we need to study them not merely with respect to the information they contain but more specifically to the purpose they intended to serve for it is the intent of the lawmaker that constitutes the law.

As one writer put it, "These documents are the Scriptures of our American Heritage of liberty and freedom." Starting with the Declaration of Independence, we learn their source and purpose. They are the laws derived from the "Laws of Nature and Nature's God" that circumscribe the limitations of power and authority entrusted to the men in government. As such, they are the legal basis by which America citizens, as individuals, are to judge whether or not those bounds have been exceeded or if Government has become destructive of the ends for which it was instituted.

First, there is natural law which stands as an eternal rule to all men, and which is to govern even the government itself. The laws of nature are called the laws of God because they are derived from the same source. It is called the Common Law because it is Common to all men, at all times, and in all places. It sets the bounds of all men including the men in government who possess no powers not delegated by the people themselves. And the people can not delegate powers they themselves do not possess. Therefore, if an individual cannot perform an act without committing a crime, trespass or tort; then he cannot delegate that authority to his representatives in government. It is this which sets the bounds of government.

Second, government power is only a fiduciary power which has been established by the people only to act for certain ends. Yet, there remains in the people a supreme power to remove the men in government and alter the government itself when they find that they are acting contrary to the trust reposed in them.

These are the basic principles which are concisely stated in the Declaration of Independence, and which inform us of the ends for which our governments and constitutions were established.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness.

That to secure these rights, Governments are instituted among Men, ...

That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, ... DECLARATION OF INDEPENDENCE

The Declaration of Independence tells us that the sole and exclusive purpose for which government was established was to secure the God given birth rights of every American
citizen. This purpose is restated and elaborated on in the Constitution of the State of Alabama:

That the sole object and only legitimate end of government is to protect the citizen in the enjoyment of life, liberty, and property, and when the government assumes other functions it is usurpation and oppression. -- ALABAMA, DECLARATION OF RIGHTS, ARTICLE I. Section 35.

The founding of America was truly a political miracle. It was the only Government the world has ever seen that was founded upon the "Laws of Nature and of Nature's God" and instituted for the sole and exclusive purpose of securing and protecting God Given inalienable rights. The Constitution was purposely designed to place strict limitations upon Government to insure that it did not stray from this purpose and become like all the other Governments the world has known. It was not instituted to grant rights and privileges, to regulate the lives and rule over its citizens. It was not empowered to pass and enforce any law it deemed good. No power was given to make any law that would abolish, abrogate, diminish, or restrict any right. Nor was any power granted that would allow the men in Government to amend the Constitution by any process not authorized by the Constitution itself. These powers were expressly prohibited. Many of these rights are spelled out in these documents which are Supreme Law and are applicable in all 50 states.

This Constitution, ... shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, ... U.S. Constitution, Article VI.

The Citizens of each State shall be entitled to all Privileges and Immunities of Citizens in the several States. U.S. Constitution, Article IV, Sec. 2.

Under these provisions of the U.S. Constitution, the rights enumerated in one State's Bill of Rights are as valid in the courts of the other 49 States as they are in the State where they are listed.

In addition, the rights spelled out in the Northwest Ordinance are equally protected and applicable in the courts of all 50 States by the following provision:

All ... Engagements entered into, before the Adoption of this Constitution, shall be as valid against the United States under this Constitution as under the Confederation. U.S. Constitution, Article VI.

Those Americans who place a high value on the freedom we inherited from our ancestors will find these documents to be a real gold mine with extremely valuable nuggets scattered throughout them. While a great deal of this material may seem repetitious, a slight change in wording in one document can give a whole new understanding and appreciation of the intent of a given provision.
These documents are not simply electronically recorded words, they are, as the writer mentioned above put it, "the Scriptures of our American Heritage the study of which is sacredly obligatory on all." In any case, they are Supreme Law and mighty weapons in the armory of educated warriors who value their freedom and are determined to preserve and restore the God given freedoms guaranteed and secured by these Supreme Laws.

Those of us who are concerned with preserving and restoring the freedoms we inherited from our ancestors are often asked, Where in the Constitution does it say that you have this or that right; Or, we are accused of being "Constitutionalists" or "Constitutional purists"; Or, have been told that the Constitution is a "living or elastic document" (meaning it is subject to changing interpretations, expansions and contractions, by the men in government, to keep step with changing times and conditions).

Such questions, accusations and statements are signs of abysmal ignorance of very basic and fundamental freedom principles. Such apathetic ignorance and complacency stems from strong, yet comfortable, delusions of freedom and security that is a reflection of America's past greatness but that has little or nothing to do with present day reality. And, coming from public officials who have taken an oath to uphold and defend the Constitution against all enemies foreign and domestic; they are ominous signs that America is in great danger of passing into history as an experiment in freedom and self-government that has failed.

To demonstrate the value of these documents, we can use them to answer all of the above.

The rights enumerated in this Bill of Rights shall not be construed to limit other rights of the people not therein expressed. -- Virginia Declaration of Rights

You will find similar provisions in more than 20 States Bills of Rights. It would have been impossible for our Founding Fathers to enumerate all of our God-given rights, they are limited only by the rights of others. Under the "Laws of Nature and of Nature's God", "all men are created equal" and no individual and no group of individuals calling themselves a "democracy" or "government" have a moral or legal right to invade another's rights to life, liberty and property - either themselves or through their representatives.

Absolute, arbitrary power over the lives, liberty and property of freemen exists nowhere in a republic, not even in the largest majority. -- Wyoming Declaration of Rights, Art. I, Sec. 7

This identically worded provision can also be found in the Kentucky Declaration of Rights - Art. I, Sec. 2. This provision goes much deeper than it appears on the surface and is worthy of careful reflection.

As to both the accusation of being a "Constitutional Purist" and the Statement that the Constitution is a "Living or elastic document," we can let the following answer for us:
In the words of the Father of his Country, we declare that "the constitution which at any time exists, till changed by an explicit and authentic act of the whole people, is sacredly obligatory upon all." -- Rhode Island Declaration of Rights, Article I, Section I

If we study these documents in the light of this provision of the Rhode Island Declaration of Rights, we will begin to see just how far America has strayed from the basic and fundamental freedom principles upon which it was founded. We will find that a great deal in our constitutions that has never been changed by "an explicit and authentic act of the whole people" is totally ignored today. The question we should ask is, by what authority were they changed?

I would strongly suggest that as we study these documents, we keep the following key words uppermost in mind: "Supreme Law" and "Sacredly Obligatory". We should also make a special effort to fully understand the following provision that will be found in many other State Constitutions.

That frequent recurrence to fundamental principles, ... are absolutely necessary to preserve the blessings of liberty, and (to) keep government free; the people ... have a right, in a legal way, to exact a due and constant regard to them, from their Legislators and magistrates, in making and executing ... ... laws ... -- Vermont Declaration of Rights, Article 18th.

Carefully note the words "absolutely necessary". The question becomes, how can we possibly "preserve the blessings of liberty, and keep government free" and "exact a due and constant regard to them (fundamental principles) from ... legislators and magistrates ..." if we are apathetically ignorant of what those principles are? The answer, of course, is that we can't. From this, we can see the priceless value of these documents and the urgent need to study and distribute them to others.

This brings up another critically important topic relative to these documents. Modern propaganda and legal practice has it that you must be a Licensed Lawyer before you are qualified to understand the "legal meaning" or "interpretation" of our laws and, therefore, the provisions in these documents which are the foundation of all of our laws; and, thereby to, demand a due observation and constant regard of them by our legislators, magistrates and other public officials.

Some of us have even been accused of the "crime" of practicing law without a licence when we have attempted to help others defend their rights. This is a throw back to the Dark Ages where the layman could have no intercourse with God's laws save through the intermediary of priests who were qualified members of the clergy in good standing with the hierarchy. Today, the only difference is that those "intermediaries" between citizen "laymen" and the "Laws" are called lawyers and their "superiors in Black Robes" are called judges, and their courts of Chancery are pretending to be courts of law.

I can assure you that the great majority of the founding stock of this nation who demanded and insisted that Bills of Rights be attached to their Constitutions were not
lawyers and that they fully understood the limits of the powers they were entrusting to the men in government. In fact, in many Colonies, lawyers were considered vermin and parasites, and were even banished in some of them.

This is such a critically important topic that we should inquire further into the thought of the Revolutionary generation. In effect, John Locke who was considered the ideological progenitor of the American Revolution and who, by far, was the most often non-biblical writer quoted by our Founding Fathers said - any single man must judge for himself whether circumstances warrant obedience or resistance to the commands of the civil magistrate; we are all qualified, entitled, and morally obliged to evaluate the conduct of our rulers. This political judgement, moreover, is not simply or primarily a right, but like self-preservation, a duty to God. As such it is a judgement that men cannot part with according to the God of Nature. It is the first and foremost of our inalienable rights without which we can preserve no other.

To this idea, that has been propagated by the legal profession for so many years now that only lawyers and judges are qualified to understand and interpret the "legal meaning" of our laws, let's examine the statement of one of this nation's ideological Founding Fathers:

To say that subjects in general are not proper judges (of the law) when their governors oppress them and play the tyrant, and when they defend their rights ... is as great a treason as ever a man uttered. Tis treason not against one single man, but against the state - against the whole body politic; tis treason against mankind; tis treason against Common sense; tis treason against God; And this impious principle lays the foundation for justifying all the tyranny and oppression that ever any prince was guilty of. The people know for what end they set up and maintain their governors, and they are the proper judges when governors execute their trust as they ought to do it. -Johnathan Mayhew

It is clear that this "impious principle" perpetrated by a self serving legal profession is not recognized by Americans because they have never learned the essential principles of liberty and free government. The implementation of this principle has created an Aristocratic form of government contrary to the Constitution. Under the pretence of a merger of law and equity, "law" has been replaced by "equity" administered by self-appointed "Aristocrats" who are the only ones qualified to judge the law. Jurors are not lawyers. So, they are told they can only determine the facts in a case but are required to accept the law as the judge (aristocrat) gives it to them even if it violates their own conscience.

... the jury in all criminal cases, shall be the judges of the law and the facts. -- Georgia, Declaration of Rights, Art.I, Sec.II, Para. I

This provision appears in many of these documents. Yet, jurors, ignorant of freedom principles, allow judges to deny them and the defendant the right to have the jury determine the law. Defendants are not even allowed to argue Constitutional principles to the jury because they are not "qualified" to know and understand the "legal meaning" and "interpretation" of the law. In other words they are not "proper judges" of the law.
I believe there are more instances of the abridgement of freedoms of the people by gradual and silent encroachment of those in power than by violent and sudden usurpations. -- James Madison

"Without learning, men are incapable of knowing their rights ..." Therefore, they are incapable of recognizing these "gradual and silent encroachments" on their freedoms and liberties.

It was well known during America's Revolutionary period that Government was not the source of rights. It wasn't just Thomas Jefferson who claimed that men "are endowed by their Creator with certain unalienable Rights," he merely restated what everyone was thinking.

Kings or parliaments could not GIVE THE RIGHTS ESSENTIAL TO HAPPINESS ... We claim them from a higher source - from the King of Kings, and Lord of all the earth. They are not annexed to us by parchments and seals. They are created in us by the decrees of Providence. -- John Dickerson - 1766

As we continue to examine these documents, we will begin to understand that our Founding Fathers placed the responsibility for the future fate of our Republic directly into the hands of the people as there was no other safe repository. It was left to the people themselves, as individuals, to preserve the integrity of the principles of liberty and free government.

The duty and obligation to scrutinize the "laws of nature" and the laws contained herein which flowed from them for the knowledge requisite for preserving our legacy of freedom and liberty is not merely optional on our part, it is "absolutely necessary to preserve the blessings of liberty, and keep government free" as we saw in the Vermont Bill of Rights.

America was established as a nation of laws and not of men. And the laws contained herein are those laws. America's traditions do not have a life of their own. They must be sustained by living commitments. People must give them life continuously or they will expire - especially when they are under attack as they are today.

In summary, the problem is not that we have forgotten freedom principles, but that the great majority of us have never learned them. It is my fervent hope that this program will make a contribution toward rectifying that sitution.

REMEMBER: IT CAN'T WORK WITHOUT YOU

Now realize that for any plan, that would subjugate Americans, to have any chance to succeed, the people's protectors must go against their solemn oath, turn on the people, and assist other seditionists and traitors in such criminal acts. So we must ask our fellow Officers again, "Will they be like those who have used pathetic statements such as, 'WELL, IT'S THE LAW, SO I HAVE NO CHOICE BUT TO ENFORCE IT.'"?

As many Officers know, that has been the lame excuse offered by the People's "Protectors" in all the Marxist nations of the world during the last 75 years of totalitarian rule.

Fine, dedicated, HIGHLY PATRIOTIC (and brainwashed) police officers by the millions UPHELD THE "LAW" in these other countries, and went on to round up and execute 170 million of their own countrymen because they were told by their leaders that "to save their nation" they must do these things.

HOW COULD THEY DO THAT? Every time a nation's officers have committed such acts against their own people it was because of their deep patriotism that they were easily brainwashed into believing these types of activities were in their nation's best interest. (Of course, as mentioned earlier, these 170 million people were labeled "CRIMINALS" of the state.)

"BUT I WAS ONLY FOLLOWING ORDERS", has always been the most popular "last words" of obedient government officers. Least we forget Nuremberg!

"BUT, IT CAN'T HAPPEN HERE", some will say. Let me tell you that it is already happening here, and many officers know it. It is now well known that Governor Pete Wilson has just declared 500,000-plus good Americans to be "felons" -CRIMINALS OF THE STATE- for not obeying his unconstitutional gun restrictions by March 30th of 1992. The U. S. Congress, and some other states and cities are in the process of doing the same thing. REMEMBER, we already spoke about how much easier it is to kill armed "criminals"? AND SO IT BEGINS.

PEOPLE'S PROTECTORS ARE AWAKENING!

Be of good cheer! All over this nation Officers, Guardsmen and military personnel are awakening to this oncoming planned disaster. Many are beginning to take a stand against the NEW WORLD ORDER Bloodsuckers. They now understand that if they do not side with the people, but allow themselves to be used to enslave the masses, they will become the ENEMY, KEEPERS, and EXECUTIONERS of their own countrymen.
WILL OUR "OPERATION VAMPIRE KILLER 2000" PLAN WORK?

WHO ARE YOU?

By A. Rick Dalton

Fellow Officer: Have you ever considered just who you are? Do you realize that you are the "thin blue line" between civilized society and lawlessness? You have been entrusted with the collective right to self-protection for thousands of american citizens who depend on you. You and I are, in our own sphere of operations and influence, among the most important and powerful people on earth!

We have had awesome given to us, and we must never forget that we are, first and foremost, DEFENDERS, not PUNISHERS of the people. We must honor and hold sacred the God-given rights of the people which we defend. And we must use our influence, our discretion and sometimes our authority to protect these inalienable rights.

Our plan to shut down the Establishment's NWO Slave State by re-educating and returning the patriotic People's Servants and Protectors to the side of the People is working as we speak. Here is a fine example.

A PERSONAL TESTIMONY

Let this old cop relate one of many recent, memorable meeting I've had with fellow patriot Police Officers and Guardsmen. I was a guest speaker at the Seattle, Washington Preparedness Expo in 1991, which drew a crowd of 5,000-plus concerned Americans. At each of my talks there were many fine federal, state and local police officers and military persons in the audience. I was privileged to meet a number of these good patriot Officers and to be able to speak with them after my speeches.

I recall in particular two Officers who worked as partners for the local police department. I can't tell you how impressed I was with their expression of their love for their fellow Americans and their country. They promised me that they would go forward from the Expo, study and share their knowledge and concerns with their police colleagues. As the reader will soon see, they did exactly that. Read below the first published article written by these two grand American Police Officers, and addressed to their peers.

WE HAVE THE POWER

Officers A.J. Seitz and Mike Lewis, Puyallup Police Department, WA.

Mike writes:
When A.J. and I first informed people that we were going to start writing an article on the U. S. Constitution, we received mixed responses. Some of our fellow officers were sharpening their pencils preparing to write a rebuttal until they saw the piece (no, not A.J.'s HK-91. I'm talking about the article.) The article was primarily written as an opening statement just to get the ball rolling and hopefully make people probe into their beliefs and ideals.

Several comments were made as to whether we wore white hoods when we wrote the article. We neither support nor condone the activities of the K.K.K. or any other similar organization. What we do believe in is the U. S. Constitution and the Bill of Rights. This is something that every officer has sworn to protect and serve. Yet, it's amazing the number of people, officers included, that really don't know what the Bill of Rights contain and where it is applicable in the field of Law Enforcement. How many of you can recite the first, second, fourth, fifth, sixth and the eighth amendment if asked by a citizen? These listed are primarily used in our profession. Of course, we all have some idea that freedom of speech, religion and search and seizure are in there somewhere, but most are not exactly sure what else is in there. We all know that the Constitution and Bill of Rights supersedes all other laws. It gives the people the right to govern themselves as they see fit. It was our founding fathers' goal to not have a totalitarian state such as England. How many of us have been dismayed over the passage of a new law, with the knowledge that the act would not be practical on the street, or just does not sound quite legal? All we do is bitch or enforce it unquestionable. It goes no further than that. We as a people (especially police officers) have a great amount of power. Let's begin to use it! We want you only to have an open mind, which for some will be tough, I know. Do something for yourself. LIFE MAGAZINE has a special Fall edition solely based on the Bill of Rights. Take one home (Well, pay for it first!) and read it. You'd be surprised at what you find. Plus it will be great for your kids' future history papers. All we ask is that you search your own soul and question yourself if you are upholding the people's right, or are you upholding the Federal and State Legislative wishes.

A. J. writes:

As Officer Lewis said above, some people, including officers, feel that when a person uses the Bill of Rights as supportive material to an argument on a social issue, then the person must be a radical. Perhaps if you are pro-government control, I guess you're right. However, were our founding fathers radicals against the English government when they were fighting for our freedom? Since we are discussing the right of the people to govern themselves, fellow officers label us "right wing extremists".

This brings us top the First Amendment in the Bill of Rights: "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or the press, or the right of the people to peaceably assemble, and to petition the government for a redress of grievances." This has been said to be the cornerstone of all other rights, yet this right seems to be constantly under attack by politicians who owe allegiance to special interest groups, as in the political correctness issue.
This has obviously irritated the citizens of this country, which can be seen by the recent
election across the nation, where several special interest politicians were voted out of
office, and in our own state where term limitation nearly passed.

One of the reasons that the government is in this state (excessive taxation, creating tighter
government control, and any of the other topics people complain about) is that the people
have little knowledge about the history of our government. One example is the Sedition
law. In 1797, John Adams, a Federalist, beat Thomas Jefferson, a Republican, by three
votes for the presidency. In 1798, Jefferson and Madison opposed an imminent war with
France. The Federalists, who had close ties with the Plutocrats (rule by the wealthy) in
England, passed the sedition law. Bouviers law dictionary defines sedition as "a revolt
against legitimate authority, the raising of commotions and disturbances in the state or
advocacy or suggestion by word, act, or writing of public disorder or resistance to the
government". The idea behind sedition is that the government has the right to protect
itself against disgruntled citizens. This sounds great on the surface until you remember
that, as stated in the Declaration of Independence, Bill of Rights, and the U.S.
Constitution, the U.S. Government is a government of, for and by the PEOPLE.

The first victim of this law was Matthew Lyons, a member of the Vermont Congress and
reporter of a Vermont newspaper. He accused Adams of setting himself in a position of
king of the people. Lyons soon found himself imprisoned, as did many other politicians,
writers, and anyone else who dared suggest they could govern themselves of speak out
against Adams and fellow Federalists. Jefferson labeled the law as the "Alien Friends
Act" and persuaded Kentucky and Virginia to pass resolutions against the law. As the
people of the New Nation began to see their new-found freedoms slip away at the hands
of another King George, they began to rally against Adams, the Federalist and the
sedition law. In 1800, Jefferson won election to the presidency by a landslide and
Federalists slowly left, apparently in name only. The citizens now lived in freedom once
again, but only for a short period of time.

In the 1940's, a group called the American Firsters began to oppose President Roosevelt,
the New Deal, the government ties with the Soviet Union, and in particular, going to war
with Germany. The FDR administration, with help from a reporter from the Washington
Post, entrapped 28 people. Using an alias, the reporter ordered books, pamphlets, etc. and
had them sent to Washington D.C.. The 28 defendants were indicted, arrested and taken
to Washing D.C. on sedition charges. After four years Chief Justice Laws states, "This is
a travesty upon justice, ... case dismissed." Although the government did not win the
case, they did succeed in ruining the defendants financially and in scaring anyone else
who would oppose the current administration.

On Feb. 16, 1988 at Fort Smith, Arkansas, the government again indicted 14 individuals
on sedition charges. After 110 witnesses for the state, 1200 pieces of visual evidence, and
8 weeks of trial, all defendants were found innocent.

The other tool the federal government uses is "conspiracy to commit RICCO". The only
evidence required is for someone to say that they discussed a commission of a crime with
another, just like in Orwell novel, "1984". Interesting! Just think, you can be imprisoned for thought crimes. This is not new. It's been developing since the country started. If certain professional politicians had their way, they would control everything.

Another example is the media. We're not saying that we support either of these professionals, but look at the difference in standards. During the Louisiana governor's race, established professional politicians, with a lot of help from mass media, succeeded in lambasting David Duke's campaign and yet the same media censored Gary Trudeau's editorial cartoon depicting allegations of Dan Quayle and a DEA file. Nothing obscene or disgusting, but an issue that the people deserve to hear. What happened to unbiased news???

We realize these things are far removed from the issues we deal with on the street, but you have to stop and think. If the federal government tries to make these terror tactics and harassment seem like "the end justifies the means", it has to make us justify any tactic we may use to make an arrest (or dare I say "A STAT") no matter what rights we may bend or break.

Remember, we have the power to protect these rights that were given to us all, even to street cops. Those of you who have had I.S.'s should know best. Citizens deserve no less protection of their rights that what you got, or at least what you should have gotten.
