## DAY OF INFAMY: THE ATTACK ON THE USS LIBERTY

June 8, 1967, is a day that will live in infamy. On this day an American Navy vessel, the U.S.S. Liberty, was deliberately attacked in international waters by the armed forces of Israel in a treacherous attempt to sink the ship and kill everyone aboard. In all, 34 Americans died, and 171 were wounded. For 34 years, the media have maintained their blanket of silence, and the politicians have maintained their sickening pretense about our "gallant, little Jewish ally" in the Middle East.

## **NO MORE AID FOR ISRAEL!**

They don't deserve our help.
