THE \$HOLOCAUST^R RACKET

"Our present interpretation of the Holocaust has been deliberately devised by American Jewish groups for purposes of ethnic supremacy, political advantage and financial gain ... In more recent years, the Holocaust industry has effectively turned into a shake-down racket in which more and more countries throughout Europe are being bludgeoned into coughing up compensation."

--- Norman Finkelstein. The Holocaust Industry: Thoughts On The Exploitation of Jewish Suffering. (Verso Books; ISBN: 1859847730)

Professor Finkelstein, University of New York.
